A large crowd of students is gathered outdoors, likely at a school event or fair. In the center, a yellow hexagonal text box contains the year and title of the yearbook. The students are dressed in casual attire typical of the late 1970s, including t-shirts, jeans, and sweaters. Some students are standing in lines, while others are sitting at tables. The background shows more students and a banner with the word "PORTUGUESE" visible.

School life was like a chain. A chain which consisted of links that had a specific meaning and value. Each link represented the hobbies, capabilities, qualities, life styles or the expressions of each student. These links may have looked similar, but each one added a new dimension to the chain. As every link was different, so were the expressions which emanated from them. Yet the importance of the links was not so much what they expressed, but the fact that some aspect had been expressed by every student.

These expressions took on many forms as each student revealed his inner self in a different fashion. Some students

expressed themselves by participating. These students held offices, were athletes, belonged to clubs and organizations, or were the spectators who attended plays, concerts, dances, athletic contests or other activities.

Other students expressed themselves artistically. These pupils were the actors, painters, singers, sculptors, designers, photographers, and musicians who added a creative element to school life. They brightened the walls and shelves of the IMC with their handiwork, and entertained other students and faculty with concerts and plays.

Hey whatever

Using the English language was another dimension which students used to reveal themselves. These pupils used these publications, "The Informer," "Sin Igual," and "The Don Express." They published student opinions and informed faculty members and parents of the problems that students were experiencing and the changes school life had undergone. While other pupils used the slang of the English language to communicate feelings of joy, pain, and disillusionment. "It was the pits", "Later days", and "that's caus" were slang sayings which could not be found in a dictionary, but were used by students to express their emotions.

Writing graffiti on bathroom stalls, starting fires in trash cans, and putting gum on tables and chairs were the expressions of the destructive student. These students who were frequent visitors of Dr. Richardson's office used destruction to gain attention from their peers. These pupils did not mind being "chronic" class ditchers or the recipients of detentions until they were caught, they discovered how it felt to receive too much attention.

Students also exhibited an interest in preparing for the future. They took home economics, auto body, office procedures,

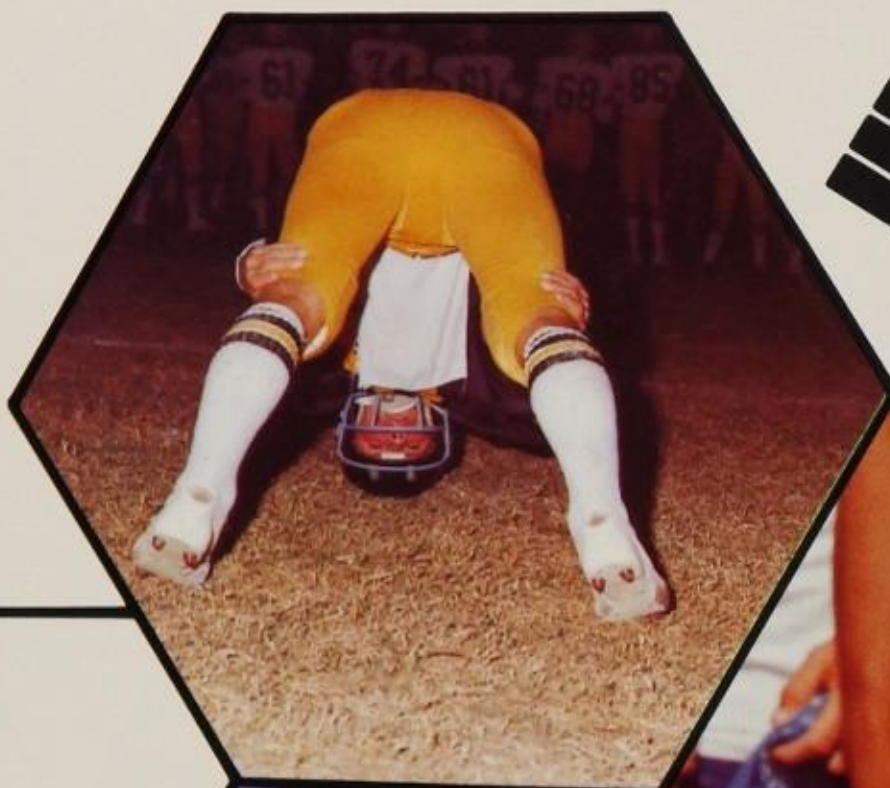

and other vocational courses to enhance special talents. Other pupils took chemistry, Algebra II or Spanish II to prepare for a college career. These students thrived on competition from peers and enjoyed meeting the challenges which these courses offered. Yet, student "expressions" did not end here.

Wearing ski jackets, CHEMIN DE FER jeans, satin jackets, and s-chains were also ways of expressing personal tastes. Listening to "Fleetwood Mac," the "Bee Gees," "Aerosmith" or the "Commodores" was another way that students expressed personal tastes.

A Bunch of Lunch

³ Lunch period was more than a time to end hunger pains at McDonalds, Shakeys, Carls Jr., or the Backdoor. It was a break from the trials and tribulations of campus life. Students could be found picking up trash to terminate detentions, playing volleyball, attending a club meeting, doing homework, signing up for clubs during Club Day or just basking in California Sunshine.

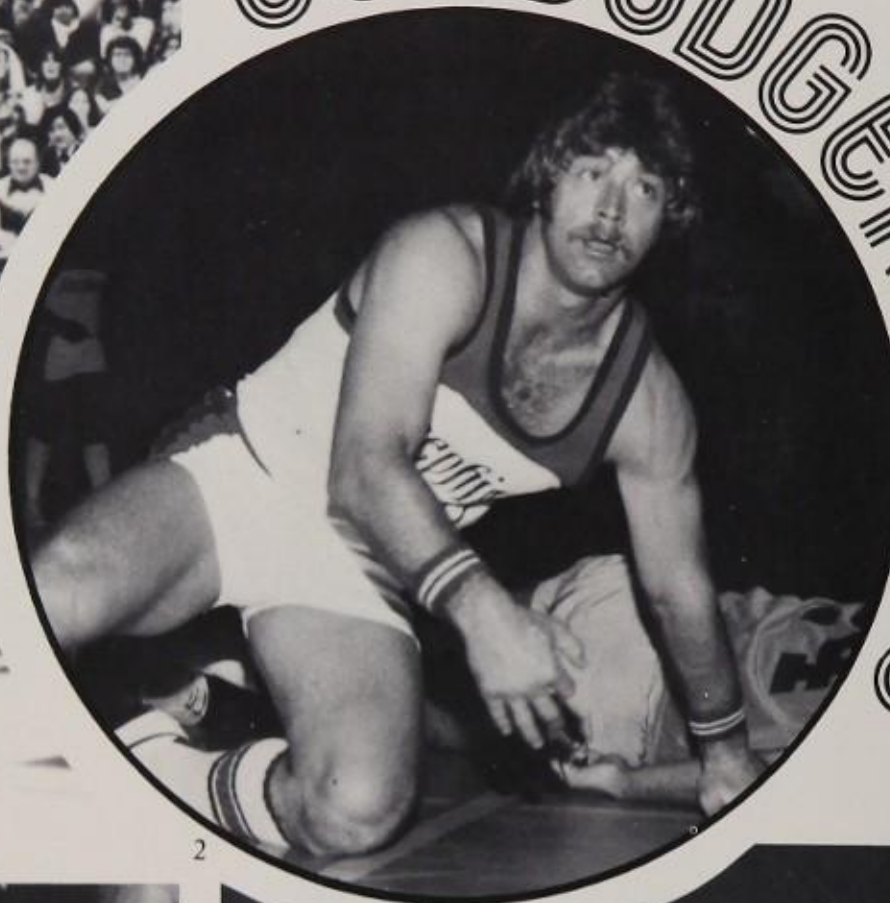

Yet, lunch period was also a period in which students were entertained by various assemblies. Many of these assemblies were sponsored by the A.S.B. Cabinet such as the Whizbo Frizbee Assembly, Homecoming Assembly, Light and Disco Sound Show, Tricycle Race, and Almost Everything Went Competition. The Pep Squad also entertained students by staging pep rallies in the gym to encourage school spirit while acting out skits such as "Gahr Wars."

1.) Whoever said, "It never rains in Southern California" was not in the quad during this lunch period. 2.) Roses and tears could be seen in the quad when the 1978-79 Pep Squad was announced. 3.) "Thank heavens we are through the arch and halfway to my seat," Cristine Castelo said nervously to her escort, Scott Peterson. 4.) The Backdoor to the C.H.S. Hilton was a popular place to purchase hamburgers and french fries without leaving campus. 5.) Happy faces in the lunch line was an indication that there was no food left. 6.) "No you don't have to take Chemistry to be a member of the Key Club," murmured Danny Miyabe during Club Day.

GO DODGER BLUE

Strike one! . . . strike two! . . . strike three, you're out!!! It was the ninth inning of the game and the Cerritos Don's Faculty saved the game with a homer. Not really, actually it was the Cerritos Faculty against the Josephina's. Yes, none other than Big Dodger Blue, but in basketball? After a very strenuous night, the tired and out of shaped, mix-matched Cerritos Faculty really pulled out a winner. With a

winning shot by Mr. Cebrun at the last second, we won by one point leaving the Dodgers with only two losses in all the games they have ever played. The winning score was 105-104.

1.) "Thank you, thank you. No applause please," said Mark Cresse. 2.) "Uh . . . I was looking for my contact lenses . . .", said Steve Yeager unbelievably. 3.) La Rosa discos as he waits patiently for the ball. 4.) It's a bird, it's a plane, no, it's . . .

Hee-Haw . . . Come on you @?#!# donkey, move, . . . pretty please. With bruised bottoms and sore bodies, the night was filled with excitement and laughter as the participants of the Donkey Basketball Game made total fools of themselves. The biggest laugh happened when Mr. Tom Drulius kept on flipping over the head of the donkey. The faculty and cabinet

ended the game against the students with a score of 36-34.

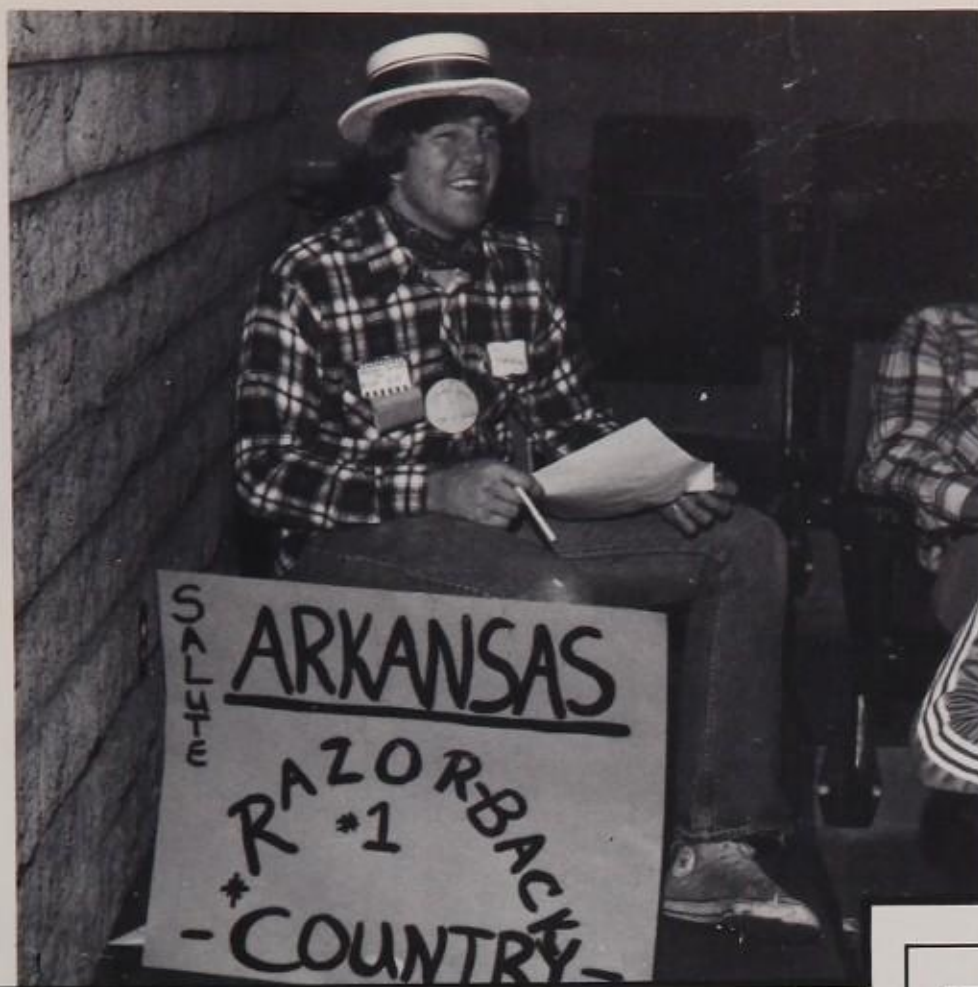

1.) "Hey babe, how about a date to the prom?" asked Glen Segal in desperation. 2.) "Giddy-yup little donkey!" yelled Cowboy Ruben Zepeda as he relived his childhood dream. 3.) Mr. "A" not only gave Terri Taylor a life, but practically a shove over the donkey by the seat of her pants. 4.) Mr. Tom Drulius tried desperately to stay on the donkey, but the donkey won!

"I Am Not a Crook"

The thrill of victory and the agony of defeat! However, the delegates didn't suffer from the agony, it was the thrill of fun all the way.

The Nominating Convention, held in the Little Theatre, gathered all the wild Dons for a day to do their thing. Whether to toot their duck calls, blow their horns, or rattle their rattles, everybody contributed to the noise.

Signs, flyers (paper airplanes), and confetti carpeted the floor from wall to wall which was the climax of the convention. It was the fun that counted and not the privilege of missing class.

1.) Head chairman Vern Vandersluis tried to control his radical state.
2.) Hey, this guy next to me just asked me to go to the prom," Lori Wood seemed to say to Jennifer Jackson.
3.) Could one of the three be our future A.S.B. president? Who knows but Vince Como, Rick Chavez, and Greg Nielson.
4.) A day full of excitement left an-empty lifeless theatre once again.

They'll Do Almost Everything ...

1.) This is a good example of the sophomore team's enthusiasm. 2.) You can tell Mrs. Stanley really enjoys getting tripped. Why not? You should have seen all the guys that rushed to give her a helping hand! 3.) Nothing could break the deep concentration of Vern Vandersluis, not even the camera! 4.) The babes gave it a good try, but . . . 5.) And there they are, those fabulous, fast-moving seniors! Was there ever any doubt about who would win with such a great team as the class of '78? 6.) Teacher team #2 — a real sack of nuts! 7.) By Terri Taylor's expression, we can tell Ruben blew it again! 8.) Junior Mike Bonner took the lead in the sack race by a hop!

It was competition in the truest sense of the word, truly the epitome of the struggle for supremacy. (But mostly struggle). ABC may never air it, but the "Almost Everything Went" competition between teacher and class teams really portrayed the agony of the defeat of youth. Contrary to popular student opinion, the pudgy teachers were not over the hill. In fact, at the first signs of challenge, the old flames raged with a youthfulness that put the unsuspecting students to shame. Yes, the two teacher teams took the overall honors as teacher team #2 took first and teacher team #1 placed second.

In class competition there was never any doubt. The seniors wrapped up the competition in first place despite a slow start. Finishing behind the seniors were the juniors, sophs, and freshmen respectively, which is the way it should be. Almost Everything Went was held May 8-12 during lunch. The events were as follows: The tricycle race and balloon race in the quad, the football kick and the free-throw contest in the gym, and the sack hop, board walk and superman races which were held on the football field.

On the First Day of Christmas . . .

A percentage of the school was bussling with excitement on December 19 as they got ready to attend "The Christmas Dance" which was sponsored by the Drill Team and Pep Squad. The dance was held at the Edgewater Hyatt House in Long Beach. The band, Chrystal Ship, played many different types of music throughout the night. During the course of the evening pictures were taken, soft drinks were purchased, and there was plenty of dancing and socializing. The highlight of the evening was when the Snow King and Queen were announced. All ten of the finalists were asked to step up to the bandstand to await the final announcement. The finalists for king were Dennis Markham, Mike Mendoza, Tony Prewitt, Bart Pranger, and Lee Souza. The queen finalists were Joyce Butler, Patti Cruz, Marisa Martinez, Liz Silva, and Diane Souza. Everyone was too overjoyed to make a sound as they announced Mike Mendoza as king and Diane Souza as queen. Diane and Mike were each given an engraved plaque, and Diane was given a dozen red roses. There was more dancing until the music finally ended at 11:30 and everyone went off on their separate ways. "The Christmas Dance" was a big success and was a memaorable night for all those that went.

1.) Debating on what picture package to buy were Kristi Shade and Mike Magrann. 2.) Wendy Layton and Larry Hernandez enjoyed a quiet conversation in a quiet corner. 3.) Mike Mendoza and Diane Souza had bright smiles on their faces after being announced Snow King and Queen. 4.) Disco dancing can be fun, but not in that dress! 5.) "What time is it, I have to be home by twelve," said Lori Jordon to Tom Young. 6.) Jenny Murphy would rather show her pearly whites than be kissed by John Duron. 7.) The 1977 Christmas Dance Court: *From Left to Right:* Joyce Butler, Dennis Markham, Liz Silva, Lee Souza, Patti Cruz, Tony Prewitt, Marisa Martinez, Bart Pranger.

Gahr wars, Pioneer Chickens, and soap operas were just a few of the many pep rallies put on by the Pep Squad. The girls spent their spare time putting together the rallies, which sometimes were successful and other times were failures, but were a lot of fun. The

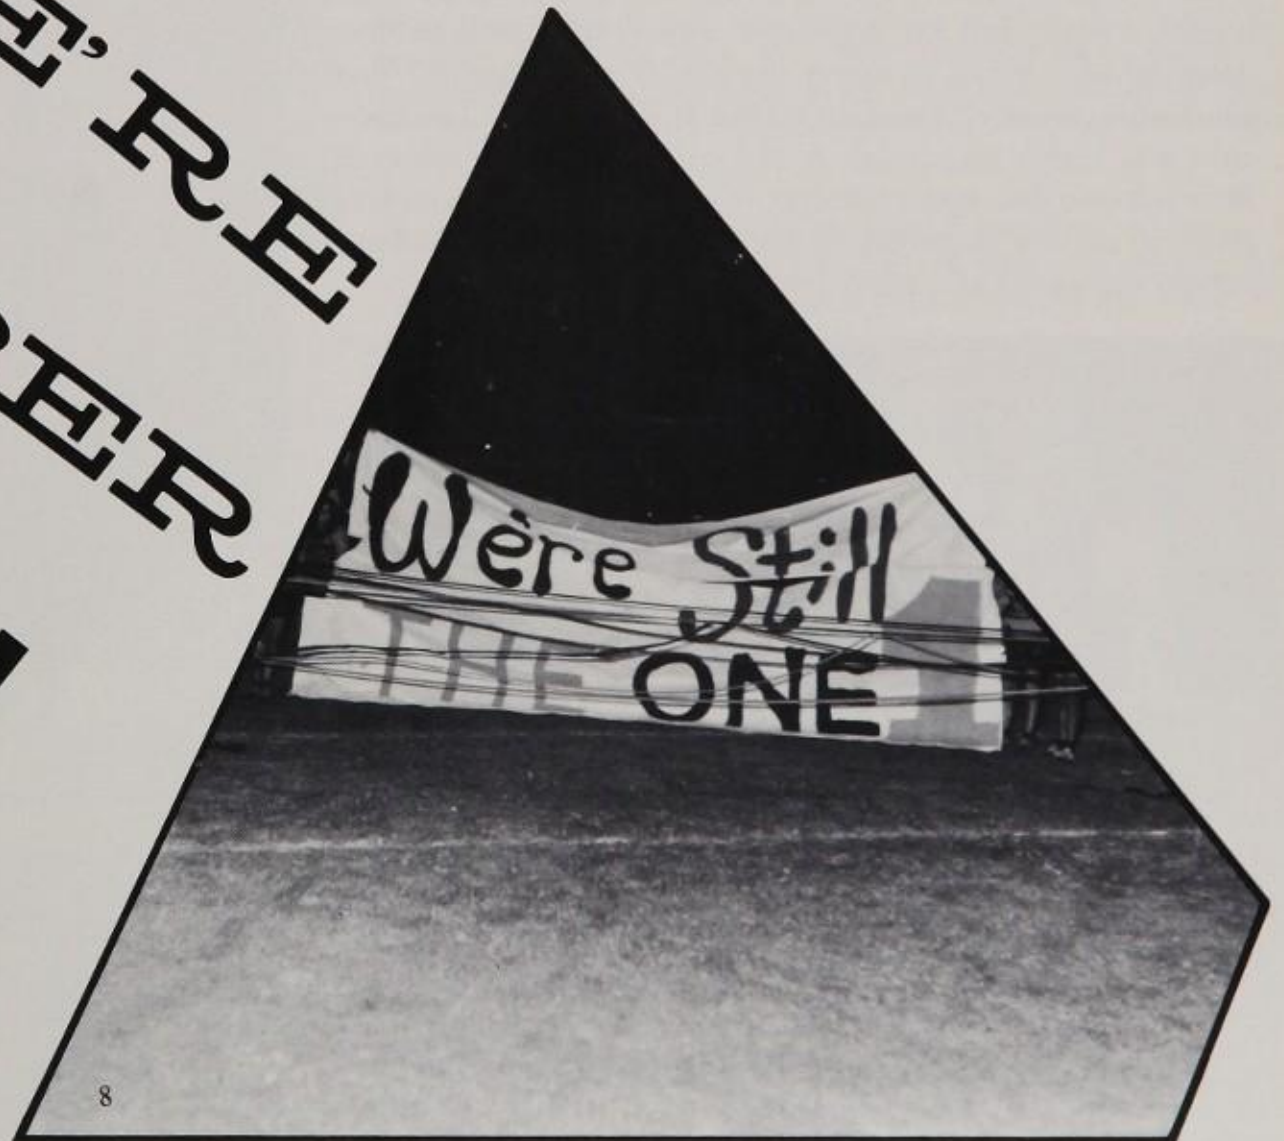

rally that received the best response was the Homecoming rally. This year instead of having the football players portray the El Rancho candidates, they had the coaches do it. Norma Bradbury, Verna Brock, Michelle Cureton, Vivian La Rosa, Grace Smuts, and Tammy Wright were the "beautiful" candidates, and were escorted by the "Macho" cheerleaders. Norma Bradbury's natural beauty overwhelmed everyone, and she was voted El Rancho's Homecoming Queen. Although the rallies might have seemed a bit crazy, the main purpose was to give the guys a boost of spirit to win all our games and go all the way to C.I.F. for the first time.

1.) "Queen" Bradbury was crowned at the Annual Homecoming Assembly by Ramona Kumada. 2.) Verna Brock, Grace Smuts, Tammy Wright, Michelle Cureton, and Victoria La Rosa were overjoyed to hear that the 1977-78 Homecoming Queen was Norma Bradbury. 3.) In football uniforms Debbie Berlyn and Anita Claveran show the power of Cerritos. 4.) Being their normal selves, the senior members of the pep squad posed for one last picture. 5.) Cathy Davalos and Sheryl Stanley look into the camera with big smiles while forming a mount. 6.) The evil kidnappers captured the beautiful princess in the skit, "Gahr Wars." 7.) Michelle Gomez and Debbie Berlyn gave the basketball team support during the warm up. 8.) Cerritos cheerleaders show their spirit by saying, "We're number one."

All the World's a Stage

You Can't Take It With You

What do you get when you mix a mother who writes plays because a typewriter was delivered by accident eight years ago, a father who creates firecrackers with his live-in friend, a grandfather who quit working thirty years ago because he was tired of it, a daughter who is a not-so-good aspiring young ballet dancer, a son-in-law who prints for fun, a drunk actress, a Russian ballet teacher, a duchess who is a waitress, a man from the government investigating the grandfather's tax record, a maid and her boyfriend, and G-men with another daughter who wants to marry the son of a rich family? You get the hit comedy "You Can't Take It With You." The audience was highly responsive to the enthusiastic cast who put their all into the play's success. Congratulations should be given to all the members of the cast plus all the students behind the scenes who made the play a smash hit.

- 1.) Mr. DePinna (Clay Weatherfield) and Paul Sycamore (Bob Patterson) show Penelope Sycamore (Kathy McDougall) their latest firecracker.
- 2.) Members of the family Ed Carmical (David Gourlay), Essie Carmical (Joyce Butler), Paul Sycamore, Grandpa (Chris Rutkowski), Boris Kolenkov (Tyronne Elliot), Penelope Sycamore, and Mr. Depinna give thanks for their good health and happiness.

- 4.) The affluent Mr. Kirby (Ben Paz) and Mrs. Kirby (Nancy Arseneault) are a bit uncomfortable as they talk with the Sycamore family who are their future in-laws.

Prisoner of Second Avenue

Mel and Edna Edison were just an average middle-aged couple living in an apartment building on 2nd Avenue in New York. Things were going bad at work for Mel and he lost his job. A few days later their apartment was robbed, and he told Edna about losing his job. Edna went to work to support the family. Mel had a dream to run a camp for kids, but he didn't have the money. Mel's brother and sisters wanted to help but were too cheap to give very much. Eventually, Edna also lost her job. The play ends with Mel determined to shovel the snow of the first snowstorm on the head of his irritating neighbor who during many heated arguments through the window threw water in his face.

This Neil Simon hit comedy received a standing ovation. The play was dedicated to the production staff, the people who constructed the set, and the crew who helped to make the final product so outstanding.

1.) To help pass the time of day, Mel Edison makes paper dolls. 2.) Cast members Dwayne Epstein as Mel Edison, Teresa Paz as Edna Edison, Tyrone Elliot as Harry Edison, Julie Quibrantar as Kristine Jennings, Keven Barton who was the stage manager, the director Mr. Bruce Carlisle, Robert Crews as Roger Keating, Ben Paz as the upstairs man, Luis Enriquez and Mike Higbee as the robbers, Tracy Bohn as the girl reporter, Annette Laviola as Pauline Edison, Joyce Butler as Jessie Edison, and Debbie Michaelson as Pearl Edison. 3.) Mel tells Edna of his plans to shovel snow on the head of their upstairs neighbor.

Saxophones, trombones, and tubas were some of the instruments that fancied up the night. The annual band and winter concert delighted many proud parents and relatives who listened to Joplin, John, and even Neil Sedaka. It brought moods from sophisticated to boogie nights. However, they placed their favorite piece "In the Mood" which was responded very well by the audience.

The night included solos by Karen Kinnier, a senior, and Pat Harrington, a freshman. Furthermore, Mr. Nouskajian had special guests called the California Saxophone Quartet whose group included old buddies of Mr. Nouskajian.

As the music got more serious, the time came when the grand finale was played. It was "Elsa's Procession to the Cathedral." This night showed many talented students here in C.H.S.

1

2

1.) It might be a little scary but Pat Harrington soloed on "Little Darlin." 2. Van Wadlington played with intensity and hoped a squeak didn't irritate Paulo Simoes' ears. 3.) Elaine Poyatos demonstrated how easy it was to play clarinet. 4.) Bryan Presley was totally involved in his piece at the night of the concert. 5.) Who said conductors only conducted? Providing the bass, Mr. Nousekjian picked his way through the program. 6.) Pete Elmore gave all his effort after he found out his hand was stuck in his french horn.

“Always and Forever”

June 10 was spent by students preparing themselves for the year's most special event — the prom. After corsages and boutonnieres were picked up, tuxedos and dresses put on, and hair fixed just right, gentlemen, some in limousines, left to pick up their dates to escort them to the prom at the Ambassador Hotel. The main event of the evening was when Benny Chavez and Donna Williams were announced as prom king and queen. The 77-78 prom was one that will be remembered “Always and Forever.”

1.) Prom-goers danced to the band Brass Knuckles. 2.) A guest of one of Ceritos High's student helped himself to hors d'oeuvres. 3.) The prom king Benny Chavez danced with prom queen Donna Williams. 4.) Marty Raymond, Trina Frantela's date, and Randy Economy talked on the phones about who knows what. 5.) Mr. Joe Quarles and Ms. Carol Stein announced the prom king and queen. 6.) Trina Frantela, Cheryl Austin, and their dates took a refreshment break from the dance floor. 7.) The prom king and queen candidates were from left to right as follows: Larry Majam, Janice Park, Larry Lycke, Michelle Gomez, Mike Barbero, Patti Cruz, Cindy Barry, Ruben Zepeda, the Prom Queen Donna Williams, and Prom King Benny Chavez.

Sounds of cheers and showering fireworks filled the atmosphere as the crowning of the 1977-78 Homecoming Queen was finally announced. As Cindy Barry was crowned, darkness dominated the stadium while burst of fireworks lighted the sky that amazed the crowd.

Then it was a time of tears of joy, a time that may never be forgotten, a dream that was thought to be possible was now unbelievable. Smiles, hugs, and blinding flashes were everywhere. Excitement ran in the air while the antique cars waited to display the new queen and her courts to the rest of the student body.

This was one happy festivity that concluded too soon. It was once again the silence of an empty stadium and a happy new homecoming queen.

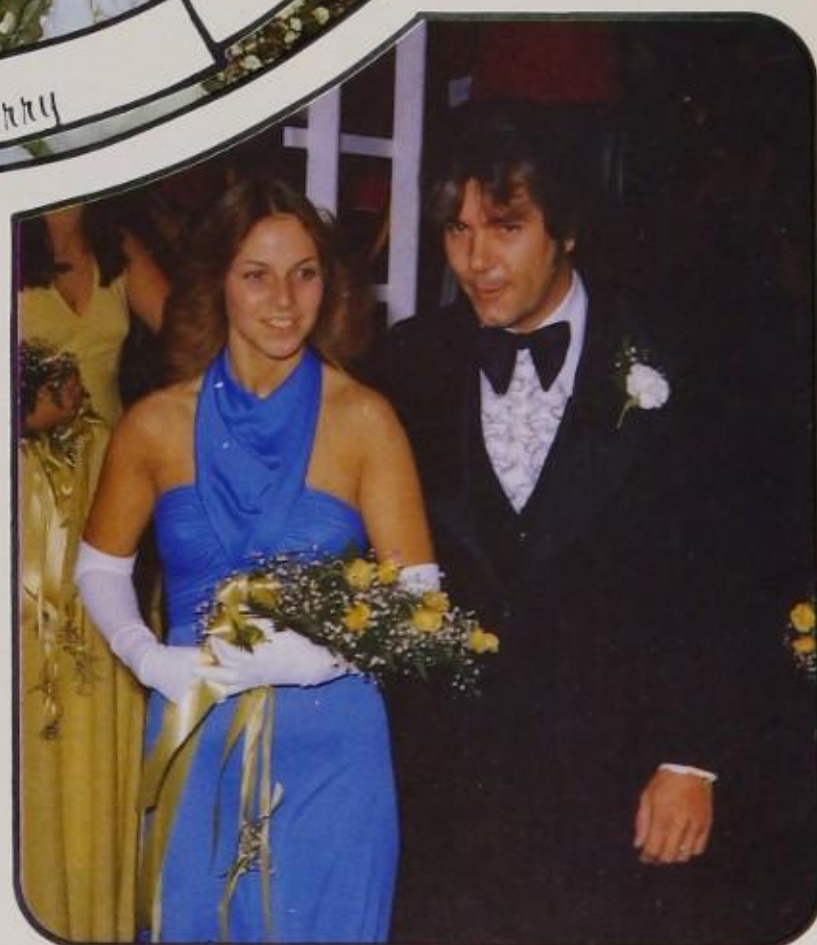

6

1.) Donna anxiously sat in her antique car before the big moment. 2.) Mr. Park proudly escorted his daughter, Janice arm in arm. 3.) Carrie seemed to laugh at something funny she saw in the crowd. 4.) Michelle might be nervous but not as nervous as her father, Mr. Gomez. 5.) After a long anticipation, Cindy finally begins her year long reign. 6.) Every face tells a story as the four princesses, Michele Gomez, Carrie Smith, Donna Williams, and Janice Park stood in the cool November night. 7.) A sign of relief enveloped Cindy after weeks of suspense. 8.) In the midst of excitement Cindy asked herself, "Am I suppose to stand there?", as her stepfather escorted her to the platform.

WE'VE GOT SPIRIT.....

2

Ghosts, goblins, and George Washington started off what was the best spirit week in CHS history. Students and faculty came to school Monday morning dressed up in their "trick or treat" costumes just bursting with spirit and energy for the forthcoming week. The first event, sponsored by the International Club, was the Root Beer Chug-A-Lug in which Don Harbart of Varsity Football drank his way to an easy first place.

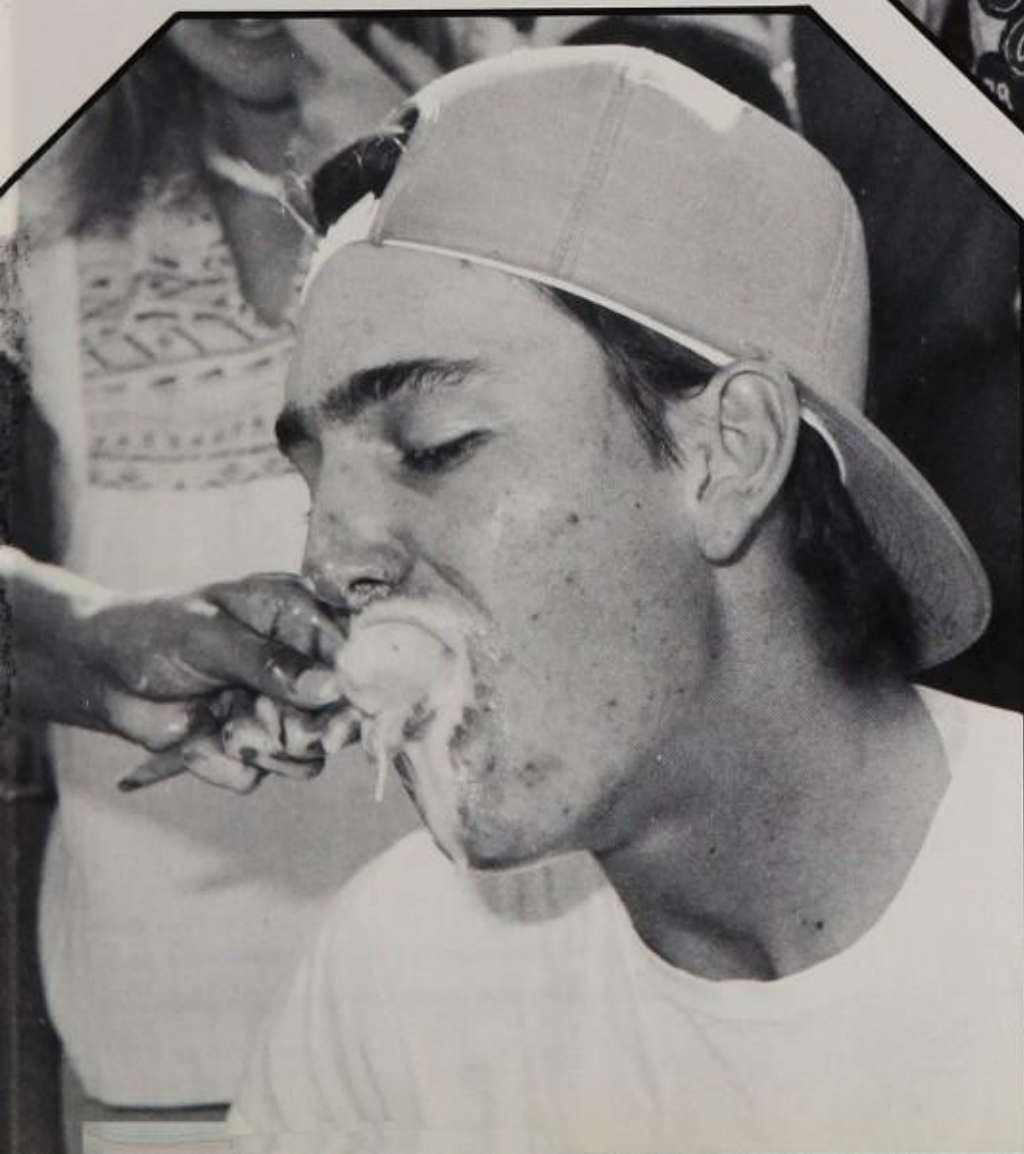

After a fun night of trick or treating, many people came back the next day wearing different kinds of hats that ranged from

a small baseball cap to a large two foot high Mad Hatter hat. Besides Jo Ierien and Marcie Tracey taking first place in the annual Baby Bottle Drinking Contest, another contest was held that day. It was the Dance Contest that sent everyone discoing to the magic sounds of "Primo."

On Clash Day, everyone came to school dressed up in such combinations as striped pants, polka-dot shirts, and mix-n-matched socks and shoes. During snack Vickie Rivera ate her way to a hot success in the Chile Eating Contest.

1.) Senior Leslie Jackson desperately tried for a touchdown as she dodged oncoming Juniors. 2.) It's the Dallas Cowboys cheer . . . no, Cerritos cheerleaders! Not really, it's only our faculty acting as cheerleaders at the homecoming pep rally. 3.) "Hey Tony, you're supposed to be on the field not on the bleachers!" yelled Patti Cruz. 4.) "Thanks. I needed that," Mr. O'Connor managed to say. 5.) "Hey, what did I do!" exclaimed Mr. Hibner. 6.) "Do I have to, I'm sick of ice cream!" thought Floyd Armstrong as he ate his way to First place in the Earthquake-a-thon.

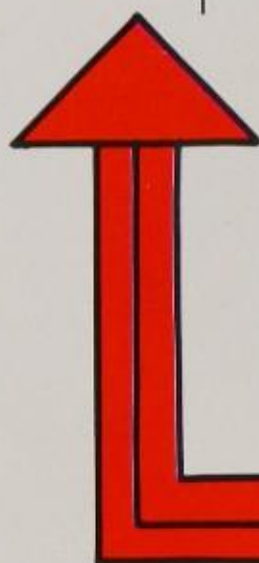

4 In the Banana Eating Contest, Kathy Tait and Marty Raymond of the Class of '78 also munched their way to first.

To match the theme for Grub Day were many grubby events, including the Lipstick Mash sponsored by the ASB Cabinet. The happy but messy winners were Carrie Smith and Don Harbart. The annual Earthquake-a-thon sponsored by the Seniors was again a big, cold, and messy success. The eater, Floyd Armstrong of the rifle team, won first place with Sherrie Guerrero as his feeder.

Friday, the last and long awaited day of the week, was none other than Black and Gold day. After starting the busy day

with the Chopstick Contest, the Pep Rally for the Homecoming game against El Rancho was held in the gym. During the rally Mr. Carlisle was chosen the top banana in the Top Banana Contest by taking the cream pie right in the face. After a strenuous week of competition in the all-school Volleyball Contest, Los Unidos was announced as the first place winner.

To top off all of these events was the Jr.-Sr. Powder Puff football game. It was a game of excitement showing spirit and enthusiasm from both teams. With much effort the Juniors ended the game with a victory of 12-0.

Thank you very much for crowning me Homecoming Queen for 1977-78," said Mr. Bradbury with tears of happiness in his eyes. 4.) To become a full-fledged monk, Terri Taylor had to behead her beloved Annual Staff Editor, Tina Monaghan, in a normal, everyday execution. 5.) Bernie Sahadi and Alice Saavedra relived Saturday Night Fever in the Dance Contest. 6.) The mystical sounds of Disco was played by Primo during the Dance Contest. 7.) "Did we make a first down?" wondered Vernon Vandersluis. 8.) Come on, Tony Schneider, one more big scoop of ice cream for mommy.

The Fabulous

Whether it was hot or cold, wet or dry, Fifties Week was by far the COOLEST week of the year. All across campus students and teachers both could be heard using those keen expressions of the fifties such as "sit on it" and "cool." To bring back memories of the nifty fifties, people dressed up in the styles of the fifties. Events such as stuffing a telephone booth, the root beer chugalug, a roller skating contest, and a bubble gum blowing contest all made the week seem truly fiftyish. The week was climaxed by a sock hop in the gym where guys and gals bopped and hopped to the sounds of a jukebox. Special appearances were made by Elvis (actually Troy O'Neil) who broke the girls' hearts just like those fabulous fifties.

Tony Schneider and Marcie Tracy, winners of the dance contest at the Fifties Dance, danced in the quad at lunch. 6.) Sandy Chavez hurried fast as she could so as not to miss out on one minute of Fifties Week. 7.) Kim Patriarca was extremely impressed by Rod Stoute's humongous muscle and terrific tattoo.

“The Long and Winding Road,” symbolized how the Class of 1978 felt as they reflected what they had been through and what was in the future. Along with the traditional “Pomp and Circumstances,” graduation speeches, and handing out of diplomas, students added a few touches of their own such as beach balls, firecrackers, fake hands and ping-pong balls. The ceremony was not without seriousness though. As the end of the ceremony approached, tears of sadness and cries of joy filled the hearts of everyone. For some, it seemed like the end of the world, but for others it was just the beginning of a new life. A life of new challenges and experiences that will be even more difficult than before. The tassels were flipped and life took a new turn. Congratulations to the Class of '78, you've finally made it!

1.) The class's top student Cathy Swindlehurst had the privilege of making a graduation speech. 2.) The Class of '78, teachers, board members, choir, band, and honor guards stand to recite the Pledge of Allegiance. 3.) A.S.B. President Ruben Zepeda said a few words to the Class of '78. 4.) "Oh no!" cries Rita Mundy, "I forgot to tell everyone to be seated after the invocation." 5.) Armando Azarcon touches everyone with his graduation speech.

WE MADE IT

1.) Mike Barbero, Karen Aulis, and Pam Arnold await excitedly for the final moment. 2.) Happiness and sadness built up in Lori Losey, and she finally broke down. 3.) "Man, why do I have to be stuck next to her," sighs Scott Gelfer as Diana Cabori turns away with disgust. 4.) Dennis Markham happily walked down the field as he led the class of seventy-eight. 5.) All People Are Merely the Players

Dudley Do-Right Rides Again

Dudley Do-Right Rides Again or the Last Joke That Killed Vaudeville, was a play written by Mr. Bruce Carlisle and performed by the drama department. The peril went as follows: Mr. Simpleton, who owned a girls' boarding school, owed Snyder Whiplash one million dollars in back taxes. In an effort to save the school, Dudley Do-Right and his dancing mounties came in and challenged Snyder Whiplash to a game of wits. They both agreed to do a television quiz show. If Snyder Whiplash won he would get the hand of Sweet Nell, the darling of Simpleton Boarding School, and two season tickets to the Canadian Football League games. If Dudley Do-Right won, Mr. Simpleton would become the rightful owner of Simpleton Boarding school. The game is rigged by Snyder and his band assistants. Dudley wins in spite Snyder's efforts. Snyder Whiplash kidnaps Sweet Nell and her father and tries to force Nell into marrying him. Dudley saves Sweet Nell, however, and the day is saved.

A Night of One Acts

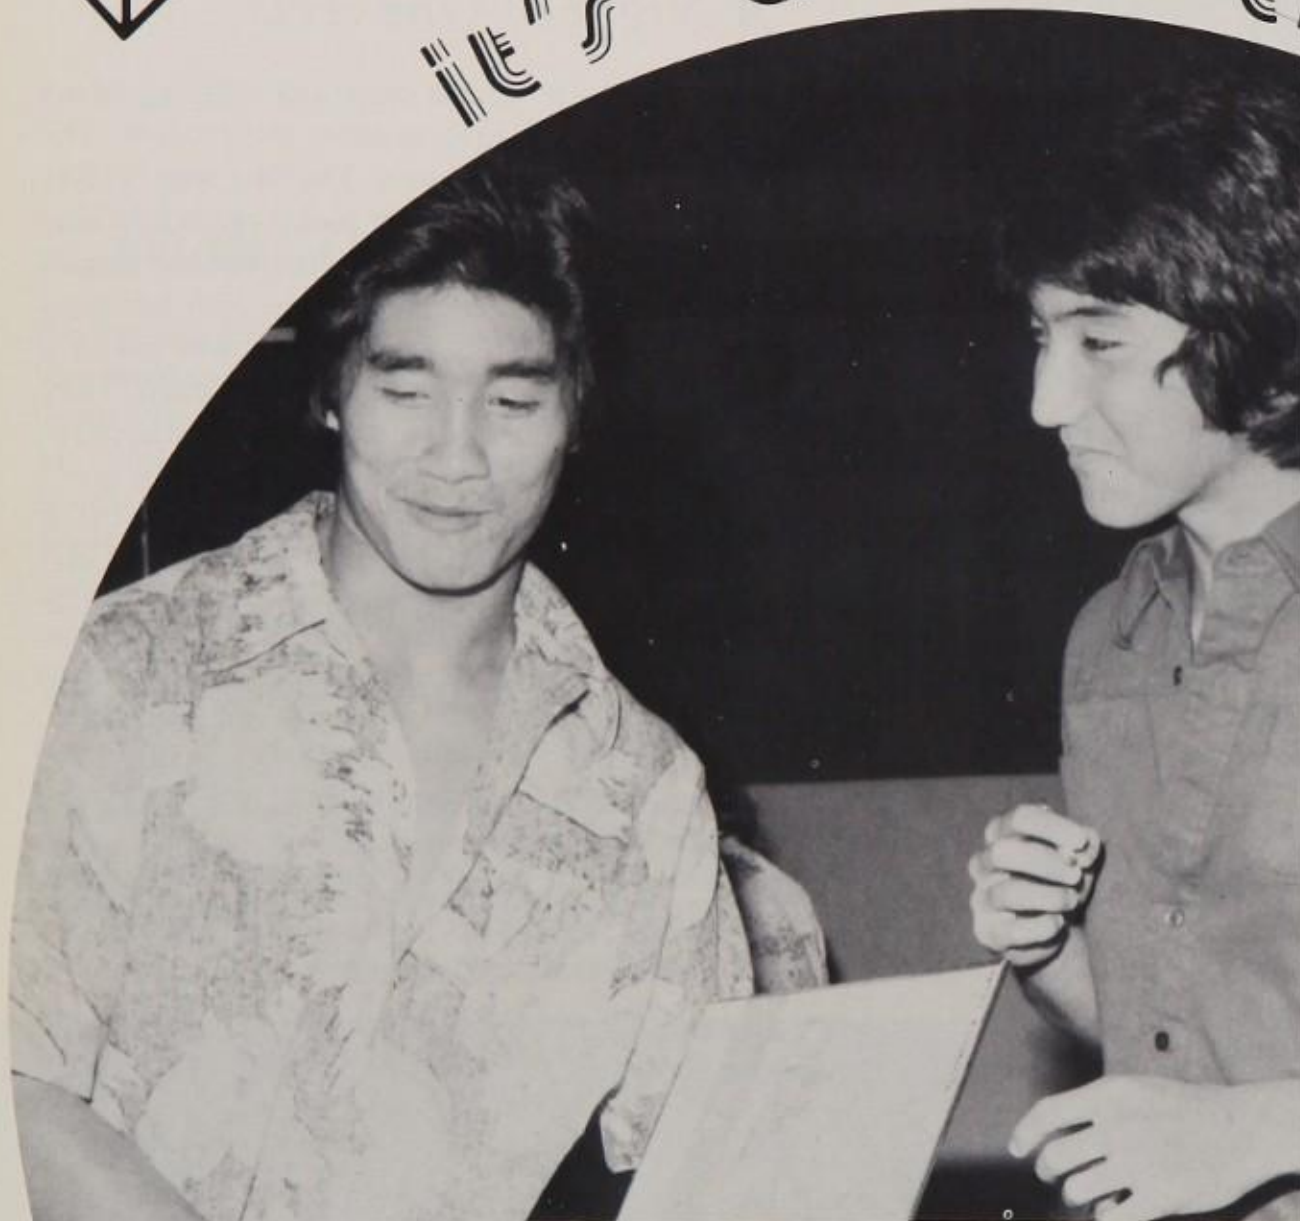

A Night of One Acts was a success once again giving many first year drama students a chance to show their talent. The drama department put on four one acts. The first was "O'Say Can You Sing." It was about a girl who had a chance to sing for a famous man. Her friends encouraged her, but she passed up the chance for the sake of her relationship with her boyfriend. The second one was "Rehearsal" which was about a would-be actress protecting an injured crook in a barn. They fell in love, but the sheriff came and took the man away leaving the girl heartbroken. The play ended with a director coming out of the audience, thus the whole thing was just a rehearsal. The third, "Mildred Is My Name," was about a girl trying to act older than she was only to discover that all she had to do to be happy was to be herself. "Mind Over Matter" was the fourth. The theme was that it doesn't matter what you are but rather what you have.

1.) In "Mind Over Matter," Aileen Smith tells Rick Kent his destiny. 2.) Sharon Simmers tells Lisa Wood how pretty she looks with that particular hat on in the one act "O'Say Can You Sing." 3.) Mildred (Lori Mash) tells her mother (Cheryl Patterson) that she wants to be treated more as an adult. 4.) Playing an injured robber, Ed Morrissey thinks "I thought only women bleed" as he sends his captive farm girl (Liz Cook) out for food.

it's about time

Sign it! Yes these were the famous words on the night of the Annual Signing Party which was held on October 4 in the quad. As one of the early activities, it turned out to be one of the best.

It was a night when everyone reminisced about the good old times they had the year before. Former graduates revisited and mingled among the crowd and danced the night away.

The annual party was something that was always looked forward to and was always remembered.

1.) "Hey, why did you write all that 'mushy' stuff in my book?" asked Rick Konishi to Ken Fukushima who were former Dons. 2.) Sukeda Day looked ready to join the party. 3.) Rusty Strand was one of many serious writers. 4.) It must of been an interesting picture that Russell Payne was looking at because his little "piggy" friend reacted to it. 5.) Iris Sanchez and Roland Agelar showed everyone how the dip was done . . . very carefully. 6.) Mr. Armstrong, the annual staff's new advisor carefully spot-checked the annual. 7.) The Discotrek provided the sounds that got the crowd to boogie down. 8.) Peek-a-boo, we see you Carrie Young.

All of This for

When singer Conrad Birdie was drafted into the army, Albert Peterson (Kelton Tobler) thought it was the end of his company, the Almaelou Music Corporation. But Rose Alvarez (Cindy Perez) got an idea to save Conrad's name AND give Albert a reason to go back to school and become an English teacher.

The idea is for Conrad to give one last kiss to Kim MacAfee (Gayle McIntyre), a girl chosen at random from Conrad's many fans. Conrad and his friends go to Kim's hometown, causing a commotion with the town's teenagers and Kim's boyfriend, Hugo Peabody (Steve Filippini).

One Last Kiss?

After Hugo knocked out Conrad on the Ed Sullivan show when the kiss was about to occur, Kim attempted to show Conrad her hometown of Sweet Apple. This time, Conrad got arrested instead of hit. Albert bailed Conrad out of jail and sent him home with his mother (Nancy Arsenault). The play ended with Kim and Hugo engaged, Albert and Rose engaged, and Albert taking a job as a teacher. Conrad goes off to the army and the spring musical ended with two standing ovations. The Cerritos High Spring Musical is always a superior end to the drama season and *BYE BYE BIRDIE*, with Robert Crews directing, followed in that tradition.

1.) Everybody joined hands in the finale. 2.) The girls await anxiously for the arrival of Conrad Birdie. 3.) The teenagers sing one of the many musical numbers, "The Telephone Hour." 4.) Conrad Birdie is saluted by the awed girls. 5.) One of the sad girls sings to Albert, "Put on a Happy Face." 6.) Albert and Rosie sing one of their many musical numbers. 7.) It was an international affair as students, parents, and friends gathered together to feast upon delectable goodies from India, France, Germany, Mexico, and other countries. Entertainment such as four Parkay commercials in four different languages, native dances from Germany, Mexico, India, France, and Hawaii, a musical presentation of Bach's works, and a slide show presentation was performed by a Cabaret of International language student. Yet, the highlight of the night was not the food, but the selection of the 1978-79 International Travel Scholarship winner who was Kathy Vermillion. Every-

one who attended the dinner left with a better understanding of other languages and cultures.

1.) There's nothing worse than being off one count as Kim Patriarca tried to catch up with the rest of the girls. 2.) Loretta Gonzales dazzled the audience as she danced away. 3.) Who knows James Kim can be another Elton John. 4.) Marilyn Munroe explained why Parkay tasted better. 5.) With that kind of expression, it must of been something awful Mrs. Yabrof tasted. 6.) If their mommies only knew what they did as Manuela Ameida, Lorraine Du Courtenay, and Neomi Armas played their part during the program. 7.) Through the unsure smile of Leslie Patterson, the difficulty of getting up came into mind. 8.) Mithra Kamath dressed in a cultural costume demonstrated her talent by dancing the Korovan and Khorathi.

It was a sad finish to a fine season. The first Cerritos football team to go to the C.I.F. playoff and it all ended November 18. La Serna knocked the Dons out of the playoffs where the season had begun nine weeks earlier — Cal High. The Black and Gold opened the year with a 26-14 win over the Condors to set it on its way to a 6-4 overall record and a second place tie in the San Gabriel Valley League. With only two losses to Lynwood and El Rancho, Cerritos won five in the S.G.V.L., which included shut outs of Dominguez (24-0) and Gahr (16-0).

A team that Coach Tom Wright called his hardest working, the 1977 Dons posted 18 team and 12 individual records. Quarterback Tim Hearron set four new marks, including 15 completed in the C.I.F. game against La Serna. David Sanchez caught two touchdown passes against Dominguez. Dave Verhaaf ran through the Cal High defense for a 90 yard kick-off return.

SINCE

"What an Ace!"

Tennis anyone? Sure! Tennis was on the minds of everyone on the 1977-78 girls' tennis team. From one-thirty to four-thirty, it was serve and volley, overhead smashes, sprints and challenges. For every serve missed, the varsity coach, Bill Crane, penalized the girls by letting them do "Kangaroo Jumps." Mr. Crane conducted other exercises such as stretching exercises that would have been mistaken as ballet exercises, running greens that activated the adrenaline, and jumping jacks that would have caused anyone to breath heavy.

As far as the season went, the varsity rallied their way to first place. Being undefeated, they were awarded the S.G.V.L. champs. In individual competition, Stephanie Oriza, the number one singles player, competed in C.I.F., and was named MVP for the varsity team.

The reason that her backhand was so good is that she's using Wendy Hayashi's racket. 7.) The two MVPs, Stephanie Oriza and Wendy Jones for the J.V., proudly showed off the trophy that they received at the awards banquet. 8.) Desiree Gomez showed off her good form with a smashing backhand into the net. 9.) Lisa Stiles has really improved her tennis game this year, ever since she started seeing R.P.

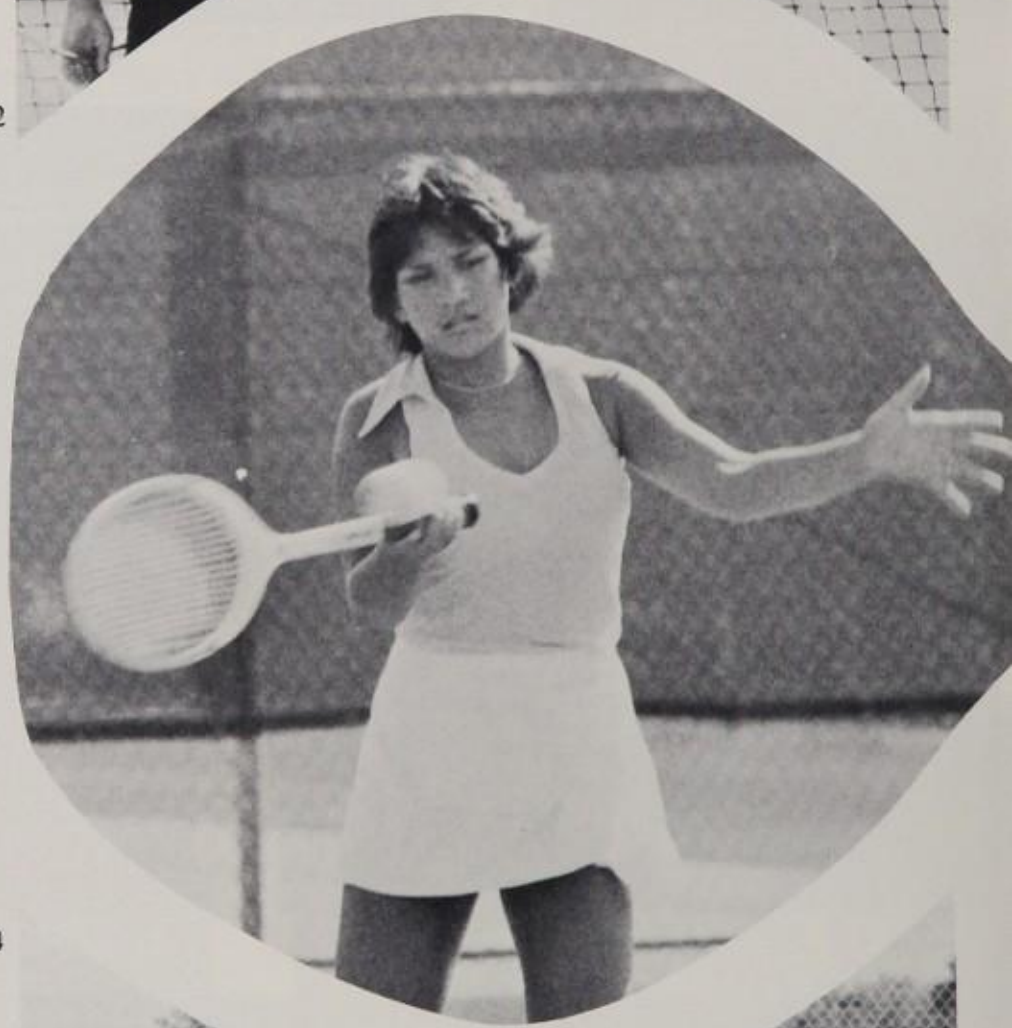

We Are the Champions!

The Varsity team competed in C.I.F. and was able to acquire valuable experience. Following their footsteps were the J.V.s who also came in first in their division and each member was awarded a medal. There were times when J.V. players came to the need of the varsity by lending a helping hand, and it was greatly appreciated.

During practice, it wasn't just tennis balls that were seen on the courts, there were surprise birthday parties, music for rhythm, and water fights during those hot grueling days . . . Throughout the season both teams learned to work hard as a whole and to accept responsibility.

VARSITY*

VARSITY

During the 77-78 season, the competition was tougher than the varsity girls had anticipated. However, the League proved to be more challenging this way because the team got a chance to exercise their newly learned abilities throughout the entire season. The tough season gave the girls a chance to test their endurance to perform their best throughout every game. The La Mirada game was a good example of how the girls could work together as an experienced team. The game lasted for the three matches, all of which were very close and exciting. Overall the varsity came in fourth with a mark of 4-10.

The season started off a little slow for the J.V.'s this year but, team work started to pick up during league competition. Against Dominguez at their gym, the J.V.'s proved to be a challenging team. They beat Dominguez in a very tight competitive game with a score of 22-20. Overall the season was tough leaving the J.V.'s with a record mark of 5-9. Claudia Napoli was awarded the MVP player of the team for her second year in a row.

1.) The 77-78 J.V. volleyball team: Chandra Roberts, Janice Huefner, Rhonda Wilson, Claudia Napoli, Patti Pigati, Melissa Dilts, Simone Adels, Michelle Diguise, Jennifer Vanderlinden, Brenda Fisher, Cheryl Oka, Renee Emerson. 2.) It was one of those seasons you couldn't forget although the 1977-78 Cross Country Team might want to. The preceding year the squad was easily in contention to win league and do fairly well in C.I.F. However, the loss of what would probably have been its top three runners during the summer hindered the black and gold greatly. Coach Jeff Tribbles' Dons posted a 4-3 league mark with one point losses to league champion Downey and Gahr. Warren, who lost to Cerritos, won the league final meet with Gahr placing second by again, one point over Cerritos, costing them a trip to C.I.F.

Juniors Ken Kayoda and Mark Laviola led the squad, placing 10th and 11th on league finals with identical times. Co-captain Eric Wilke placed 13th, co-captain Dennis Markham 15th, Mike Bojorquez 22nd, Kaz Kayoda 23rd, and Kevin Zaan 47th in the 52 person race.

1.) Surviving the first two, Kaz Kayoda heads into the third mile of the Downey meet. 2.) Ken Kayoda leads the pack in the first mile against Warren. 3.) The 1977-78 varsity and girls' cross country team: Kevin Zaan, Eric Wilke, Kaz Kayoda, Dennis Markham, Mike Bojorquez, Robin Fries, Mark Laviola, Coach Tribble, Martha Strayer, Ken Kayoda, Kathy Kilmurray, Karen Humphrey, Julie Sloan. 4.) Ready to turn for home, Mike Bojorquez and Erik Wilke pass an almost obliterated El Rancho runner. 5.) With strain in his eyes — and his whole body — Mark Laviola put on one last surge. 6.) The 1977-78 Cerritos High Motocross Team emerged as the dominant force in the Southern California high school MX competition. Founded officially in 1975, the size of membership and spirit grew to fit the requirements of an effective racing team.

The riders handled bikes from the agile minicycles to the powerful 250cc weapons around the demanding course located at Saddleback Park in Orange County. Riding abilities ranged from beginning riders just introduced to the sport, to expert/professional riders already veterans of many seasons.

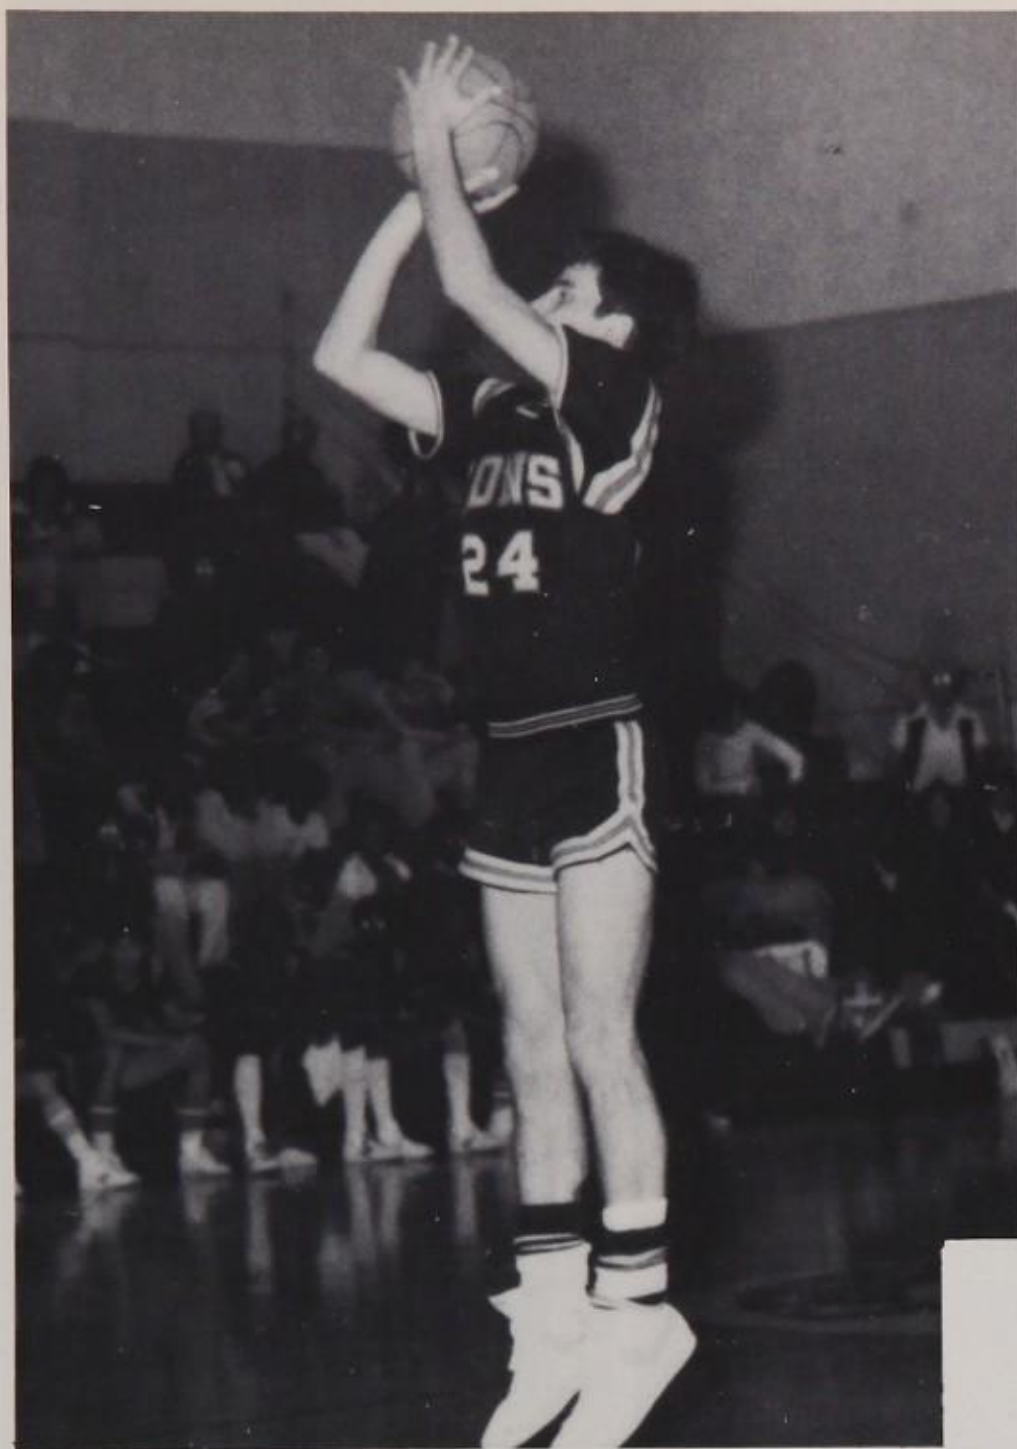

As well as team champions, individual champs were named, often putting team member against fellow team member. Also, individual trophies were awarded for each race. Cerritos had a fair share of personal victories and championships.

During the fall and spring seasons the riders competed on weekends and individually practiced and trained after school. The team has twice been named the overall state champions of the Scholastic Association of Motorsports, and have a bright future for many seasons to come.

The Dons with nicknames for every player, finished the season with an 8-16 overall and 3-11 league record and placed seventh in the S.G.V.L. Inconsistent play plagued the cagers the entire year as they would play well one night and bad on others.

7

After starting the new year with a victory over Warren, the Dons almost stopped the hearts of all of Downey. At the time the Vikings were the C.I.F.'s number-one team and undefeated at that. Cerritos fell just one-point short, as they did once last year. After a win over El Rancho, the Dons began an eight game dryspell with a loss to Lynwood in overtime.

It wasn't until the last game of the season that Cerritos would get on the winning track again. With the teams' four seniors in a starting role, Cerritos took La Mirada 58-55.

1.) Andre "Dre" Greer pulls down another board against El Rancho. 2.) Mike "Rookie" Briggs gives Lindsay Cooke a pass that leads to two points in the opener against La Serna. 3.) Roger "Pistol" Lodge pumps in two more. 4.) Kevin "Calvin" Sims watches intensely as the ball falls for two points. 5.) Another lay-in for Chris "Coco" Jackson. 6.) A rarity! Dennis "Chief" Markham shoots a free throw. 7.) Scoring over his defender was Lindsay "Cookie" Cooke.

Captain Roger Lodge was named team M.V.P. and Andre Greer, who teamed with Lodge as All District, took the Most Improved Award. Dennis Markham was Most Inspirational. David Sanchez was named "Randy Hatchet" Man of the Year for his aggressive play. Greer was also the recipient of the 7th Annual Footsteps Award for his lay-up shooting technique. Sophomore Mike Briggs also took honors by being named All-Tourney in the Cerritos-Gahr Classic.

The Dons not only worked as a team but strived for personal goals. Grapplers Russel Payne, Scott Snyder, Jeff Rhodes, Andy Morita and Rick Chavez experienced an especially good year.

All of the Dons took their matches seriously and stuck with it to the end. The determination and skills were acquired by a combination of a tremendous coaching staff and a group of men that showed the pride of 78!

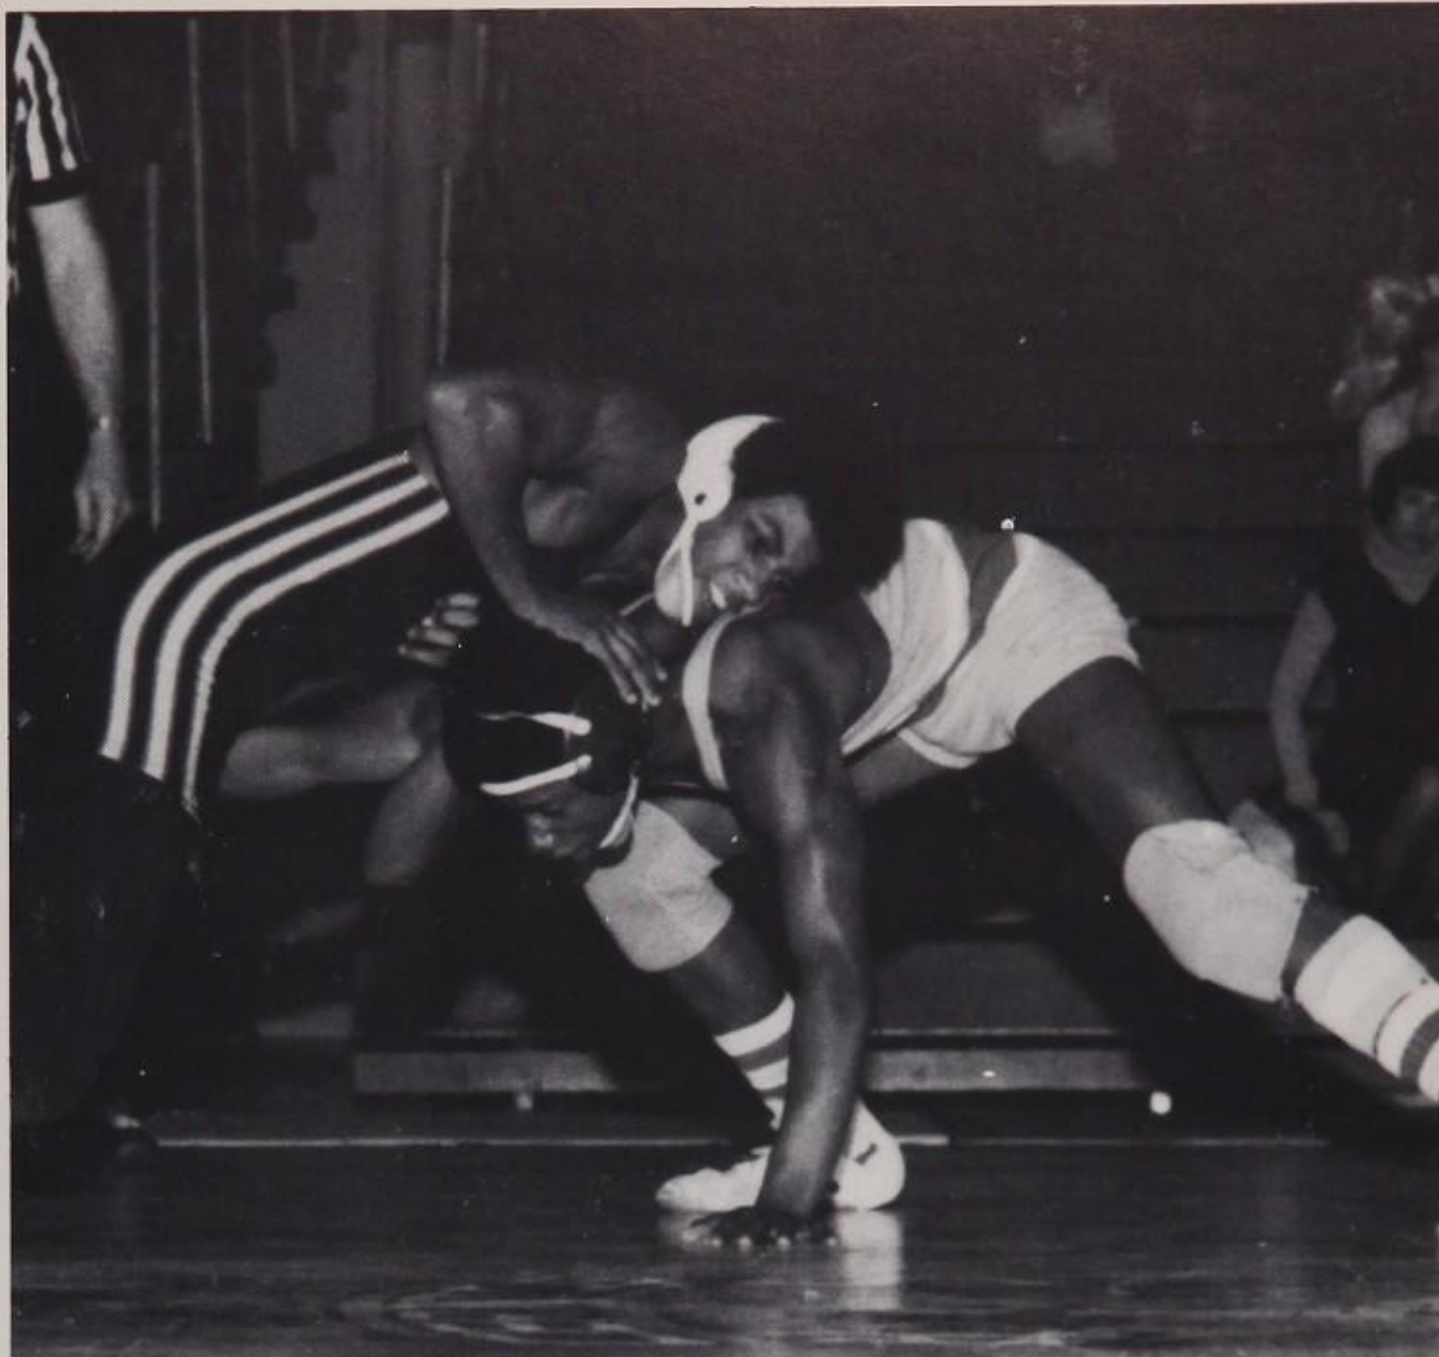

1.) Jeff Rhodes took down his Lynwood opponent with ease. 2.) Mike Humphrey's arm drag helped him to take down his Downey opponent. 3.) Derek Yasanaka took command of his match. 4.) Unable to score many victories against tough San Gabriel Valley League contenders, the soccer season ended with two wins, and seven losses and one tie. The Dons opened the season with an impressive 4-3 win over rival Artesia, but had problems in later contests. The squad faced excellent teams such as, Dominguez, Bosco, Gahr, and Valley Christian, and played excellent at times itself as shown in its 3-2 overtime win over Downey.

Sergio Aparciom led the kickers with 12 goals in the year, with Tom Hattori kicking in 7. Craig Wildvanks outstanding defensive player, was chosen M.V.P. and earned first team all league honors. Also, a chance to play in the first 605 all-stars soccer game.

What's black and gold and dribbles all over? The Cerritos girls' basketball teams of course! Talk about active, our girls' team was a fast bunch of skilled people. Although losses overwhelmed wins in Cerritos' record, opposing teams had to work up a sweat to beat our girls.

The varsity girls' were fortunate this year as they had as their coach the coach of varsity boys' basketball, Mr. Desborough.

It was a very good year for the girls and they deserved it.

1.) Larry Majam sprints to first base on a single. 2.) Grant Walling or is it Nolan Ryan fires the high hard one. 3.) Centerfielder Todd Theodora looked on as all-around athlete Tim Hearron guns a runner out at home. 4.) Second baseman Mike Barbero bunts a low outside pitch on a successful bunt and run play. 5.) Designated hitter Grant Walling homers to right field. 6.) The 1977-78 Varsity Baseball Team — not pictured Vern Vandersluis.

"Take That 'K' and Get Away!"

Take that "K" and get away!, said pitchers Grant Walling and Roger Lodge to opposing batters. These two fine pitchers pitched extremely well for the Dons this year. Walling, who has an amazing fast ball, dazzled his opponents with a 1.83 E.R.A. On the other hand, Roger Lodge and his slooow curve and his bewildering "quick-pitch" out finessed opposing batters and compiled a 1.06 E.R.A.

Along with outstanding pitching the Dons had a very good defense. With burly Jeff Hearn behind the plate, opposing runners thought twice about a head on collision with this 6'1, 210 pound Don. Jeff also has an excellent arm, although it was very sore for a part of the season. Coach Vern Brock is expecting him to lead the Dons next year as Jeff will be returning for his third varsity season. At first base we found juniors Jeff Proost and Ronny O'Farrel. Proost came up from the J.V.'s and had a fine season. At second base was the consistent Mike Barbero. Mike was one of the leaders of the squad. He has an excellent glove and was definitely one of the best if not the best second basemen in the league. Teaming up with Mike on double plays was Tim Hearn at shortstop. Tim was also considered by many as the best shortstop in the league this year. To round out the infield was all leaguer Vern Vandersluis. Vern was the squad's M.V.P., as he continually made outstanding plays at third. The Dons also had a good outfield in seniors Larry Majam and Todd Theodora. Larry had outstanding speed and Todd had a very strong arm. Juniors Matt Gardner, Mike Deibel, Joe Astengo and Al Garrido all have excellent speed and good gloves. As all four made key defensive plays in the outfield this year. (Cont)

Batter Up

Of course you can't forget Charlie Carr for relief (both pitching and comedy relief). Charlie had a 66 E.R.A. and would have started at any other school, but he had two of the better pitchers in the league ahead of him.

Unfortunately, the Dons' major weakness was their offense, compiling a team batting average of only 200. The Dons could hardly score enough, although the Dons started hitting well in the last few games. They beat C.I.F. ranked Warren by a score of 5 to 1 in their final battle with them. And even with such a low team batting average, it was surprising that the team's losses were only by one run.

The Dons just didn't get the breaks or the extra luck of a championship team, but man for man this year's varsity team had more talent than any other team in the league. Coach Vern Brock often told his squad that he would rather coach this group of guys than any other championship team of the past.

There was one Don who definitely was not in a slump this season, and that was all leaguer Vern Vandersluis. Vern hit 378 and hit a tape measure homer against Dominguez at Jackie Robinson field. Vern consistently hit off every pitcher he faced and batted cleanup for the Dons. Overall, this year's baseball team had a lot of character with such personalities as Mike Barbero, Charlie Carr, Ron O'Farrel, Todd Theodora, Jeff Hearron, Grant Walling, and even their faithful manager Dennis O'Brien to keep things alive, how could Coach Brock call the 1978 Varsity Baseball Team anything but "the most enjoyable group of guys I've ever coached?"

1.) Up and over the bar was Gary Yates in the pole vault. 2.) Sporting a big lead, Tony Prewitt hands off to Craig Roberts to complete the 440 relay. 3.) Larry Higashi goes all out in his shot-put throw. 4.) Brian Kansaki takes a break between vaults. 5.) With only one lap remaining it appears that Louie Rael will win another half-mile. 6.) Erik Wilke still doesn't understand how the bar stayed up after hitting it with his arm. 7.) Frank Murray and JoJo Sunio cross the finish line to take first and second.

Nobody remembers who finishes second regardless of how close the score is and this year's track season could fall right into that category. More than one meet came down to the last event, the mile relay, but the most heartbreaking of all was the always exciting Gahr meet. The Gladiators nipped us again, just as they had in 1977, and that could describe the entire season.

Cerritos opened the year with an easy win over John Glenn and then traveled to Santa Ana where it took second place and walked away with 44 medals in the Santa Ana Relays.

The league season was full of the same results, second places, but the Dons were in almost every meet right up until the mile relay. The loss of key personnel to injuries can account for the lack of those few extra third of second places that could have turned things around many times.

Individual standouts highlighted a team effort that saw 8 records fall. Tony Prewitt dropped the 220 mark to 22.18, Ken Kayoda made his personal best of 10:11.0 a two-mile record and Erik Wilke raised the high jump to 6'2".

"Roberts Jumps, Records Fall"

The 880 (2:00.01) and mile (4:28.0) times were set by Louie Rael and the relay team of Tony Prewitt, Frank Murray, Jim Willard, and Craig Roberts set a mark at 43.51. Roberts, who was named this year's Outstanding Track Athlete as well as last year's, set a new record in the long jump at 22'5", and broke his own triple jump record in taking second place in the State Masters Meet with a mark of 49'10". He was also named Outstanding Field Athlete of the meet at the Tustin Relays, one of the largest in the state. Roberts was hindered with a sprained ankle for the latter part of the year and jumped only well enough to qualify in the preliminary meets. The second place mark of 49'10" in the Masters Meet was the fourth best in the United States this year.

Other than Roberts the recipient of an award presented by Coaches Gary Smuts, Sam Martienez, and Jeff Tribble was Most Improved to Ken Kayoda.

1.) The nation's number four triple jumper Craig Roberts warms up before facing Downey. 2.) Mike Bonner and Dave Verhaff widen their lead in the 330 low hurdles. 3.) Kevin Zaan stays in scoring position at league finals. 4.) The 1978 Varsity Track Team.

Look Out Guys It's the Girls

Becoming San Gabriel League track champions isn't easy and becoming undefeated champions is even more difficult, but the girls' track team did just that. Led by M.V.P. Leslie Jackson, the gals posted a perfect 7-0 league record and were unchallenged throughout the year. This marks the second year in a row that the girls were league champions. With most of the squad returning, including most improved runner Jennifer Marquis, the prospects for next year and another championship are excellent.

"Batter up!" As the girls batted through another season, it became a whole new ball game. Coming in fourth place, the varsity withstood three tough schools. It was a lot of hard work to knock one of them out but if the Donettes were a little tougher and chomped on their gum a little harder, the girls would of had a more exciting season.

5

Debbie Wilson, voted for M.V.P., was always there as a life-saver of the team. The girls counted on her for that power she had when she went up to bat. Furthermore, talking about a mean shortstop was Shelley Tolman who blocked most of the balls that sizzled toward her. Yes, it was a pretty good season, especially when the girls won and were treated at Swensen's by their coach Vince La Rosa.

The J.V. girls started the season off fairly well. As pitcher Joanne Quibrantar, catcher Renee Hernandez, and third base person Julie Butler, the defensive infielders were pretty tough. Finishing with a fun season, the girls are hoping for a better new season.

ALL THE WAY DOWN THE FIELD DONS

For the class of 80, the '77 football season proved to be more promising than their last. The Dons ended with 4-5 mark. The team led by captains Shawn Brosamer, Scott Kline, David Waymire, and Wayne Wurzer played a tough season. They opened the season against California High with a glorious victory of 21-9! The Artesia game proved a challenging, but upsetting game for Cerritos. Although the Dons defense always seemed to get tougher when the going was tough, Artesia came through two points ahead.

The Soph's defense proved to be dominating through the season, with such outstanding players a linebacker Scott Kline who led the team in tackles and quarterback sacks for a total of 112. He was named the defensive MVP. Arcenaux was named the MVP for the offense, he caught 22 completed passes totalling 18.5 yards per game. At the Artesia game, he caught a Waymire pass and ran for a 92 yard touchdown.

Over the course of the season head coach Sam Martinez produced ten great players that were moved up to Varsity for the C.I.F. playoff game against La Serna.

1.) Sam Apodaca turning up field looking for some daylight. 2.) Rod at the Cal game, finds an open hole through the line. 3.) John Arcenaux wards off Gahr tackler. 4.) The frosh team played its first league game of the season with high hopes for a win. It succeeded in tying the score with Cal High — 12 and Cerritos — 12. Thus, the tie kept our eager team on its toes, and it returned to a hard practice for its next game. However, our hard working team was plagued with a loss of 6 games, which brought them in a position of 2-6. Its winning game was against Warren High.

Although our young team did not have the desired successive wins they tried for, we still managed to pull a Second Place. Yet, we were not the only team in second. We were tied with three other teams in our league for the place. True, it was not a prosperous year for our hard working freshmen, but the experience they had as a team will surely improve their chances for victory next year as sophomores.

7

ENDURANCE

Endurance was an important factor for Coach Jeff Tribole's Frosh/Soph and J.V. cross country runners. Some outstanding runners were sophomore Glenn Drye and freshman Mark Warnick. Drye ruined his Varsity chances because of a severe foot injury but, very well against other J.V. level opponents. Mark Warnick also, ran very well and has a bright future ahead of him. Joe Astengo also contributed to the squad with his long strides and great stamina. All in all, there should be some good runners going up to the Varsity squad next year.

1.) The fearsome threesome of Bob Brighte, Glenn Drye, and Mark Warnick marched to victory. 2.) Julie Sloan and Robin Fries often reached speeds of thirty miles per hour, then they parked their mopeds and reported to practice. 3.) Glenn Drye was one of the fiercest competitors on the squad and ran very well for the Dons. 4.) The 1977-78 frosh-soph cross country team. 5.) Mark Warnick has already lapped his opponent twice, and has just breezed by him again. 6.) They are off and running!

The 77-78 Junior Varsity basketball season was one for learning. The team made a good effort throughout the entire season. Coach McReynolds' statement about the season was, "The boys worked great as a team. I think they really got a lot out of it, and I have high hopes for next year's varsity." This year's J.V. team, inspired a lot of new and skillful players who, helped in bring out good team effort and support for the entire season. Such as, Jim Willard who was awarded most improved and Kaz Kayoda who was named this year's M.V.P.

The squad opened the season in a very tight and exciting game against La Serna. The entire game was very competitive, up until the last minute with the score of 36-37. Willard came down with a rebound, passed the ball to Dave Verhaaf and he made the winning basket to win the game at 38-37. In fact, all the games during the season ended with close scores. If you look at the season mark, 7-14, you wouldn't think they did very good but, if you looked at the final scores of all the games you'd see they never lost any games by a large margin. This is what made the season so frustrating for the boys, because, the games were always very tight and they always seemed to get the short end of them. Overall, the season was an experience.

Prospects for future varsity seasons were abundant on the freshman and sophomore basketball teams. Outstanding talent like Ken Westbrook, well over six feet tall and an outstanding player. And Derek Foster with his amazing jumpers. Emanuel Wilson dominated against other ball-players his own age. Those players are only Freshman, but there is even more talent on the sophomore team with M.V.P.'s Ronny Brown and Craig MacFarland terrorizing their opponents. Sneaky Denny Pleimann dazzling the opposition with fast hands and fancy foot work. Needless to say, with all this talent on the two lower division basketball teams, we should have some outstanding Varsity Basketball teams in the next few years to come.

"Get Outta Here!"

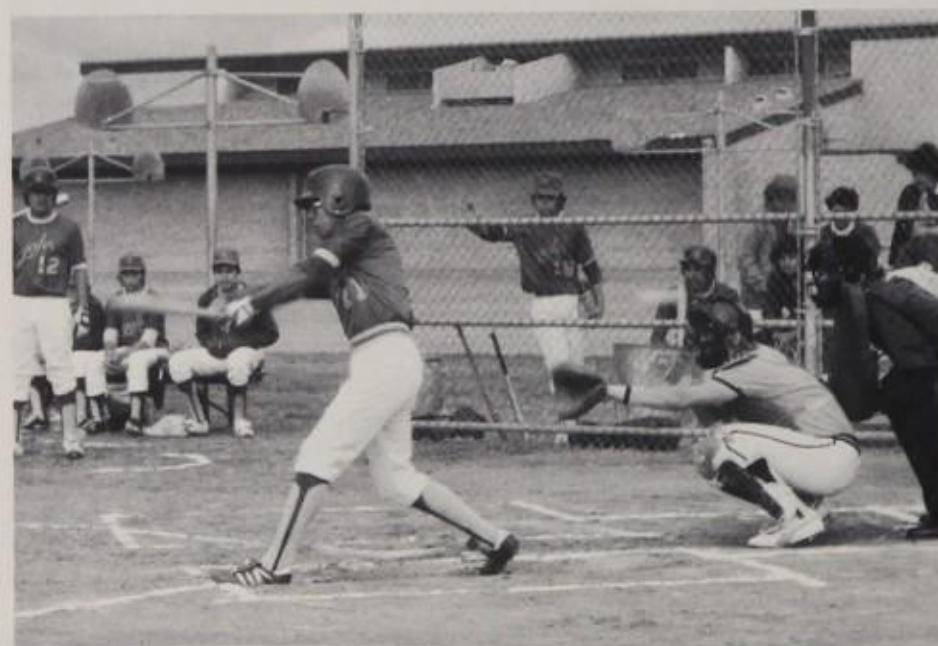

The rowdiest, and the toughest J.V. ball club in the San Gabriel League was this year's Cerritos High J.V. Baseball Team. Headed by such radicals as Lance (Lancenerrr) Menier, Aaron (knock 'em over the 380 sign) Slaight, and David (hitte'm where they ain't) Finney, opposing teams shook with fear as Coach J. Q. Quarles and his lumberman crashed out the window of their bus, beat up their bus driver, and took their places on the diamond with authority. Unfortunately they didn't win all their games, but did manage to wind up the season a touch over .500. All in all guys such as Billy Kitt, Dave Finney, and Steve White, and Juniors, Aaron Slaight, Lance Menier, and Billy Stark all had fine seasons and should definitely make fine Varsity ball players.

The Freshman Baseball Team took league and were very impressive throughout the entire season. Coach Emard trained his men very hard, but it really paid off. This was definitely one of the best Frosh Squads in the history of Cerritos High. Although the team as a whole worked together very well, there were a few standouts, pitchers Lee Souza and Derek Foster, shortstop Emanuel Wilson, and catcher Keith Harrison all played excellent baseball and have very bright futures, as does every member of this league championship team. It looks as if we may have a baseball dynasty at Cerritos High during the next few years!

1.) With such support and determination on the Freshman Baseball Team it was only natural that they were so superior. 2.) The 1978 J.V. It wasn't the very best of years for the frosh/soph track team, but the experience gained made it well worth the effort. There was no limit to improvement and this squad of freshmen and sophomores lowered various times and extended various lengths on their way to a 5-2, second place finish. Gary Gray was named team M.V.P. for his performances in numerous events.

1.) More times than not this shirt was seen in first place. 2.) Keeping it close in league finals was Gary Gray in one of his many events. 3.) Denny Pleimann didn't know that the half-mile could be so painful. 4.) Dale Bausch kept running in circles. 5.) Mark Warnick led his way through another mile. 6.) . . . Gee, What's a G.P.A.? . . .

There are times when we think that we are the only ones who worry about our G.P.A. or where we are going to college. Yet, we are not. There are a few other people who help us worry during our high school years. These people are our understanding and helpful counselors. Counselors must know everything about all the classes — when they are offered, how many credits each class is worth besides knowing how to communicate to a student on a one to one basis. Mr. Cebrun, Mr. Richards, Mrs. Rogers, and Mrs. Torres are the counselors who help students make important decisions. Mrs. Brewer is in charge of informing students on S.A.T. testing, college requirements, scholarships, and other information concerning colleges and universities.

It is said that behind every good man there is a good woman. Well, behind every good counselor there is a good secretary. These secretaries are Mrs. Bernstein, Mrs. Goodrich, Mrs. Guida, and Mrs. Testa. These nice ladies help the counselors immensely by taking most of the paper work off their hands. For this, we are grateful.

1.) Mrs. Torres: No more program changes!; Tahiti, here I come: This must be a case of mistaken identity. 2.) Mrs. Brewer: Oh my goodness; Oh my goodness; Oofda. 3.) Mrs. Rogers: What to the caterpillar is the end of the world, is to the observer a butterfly; A man's true wealth is the good he does this world; That man is the richest, whose pleasures are the cheapest. 4.) Mr. Richards: Que' Lastima!; Caramba!; Caray! 5.) Mr. Cebrun: She's beautiful; Life is having lots of it; Kiss off feds. 6.) L-R: Mrs. Guida, Mrs. Testa, Mrs. Goodrich, and Mrs. Bernstein: "Will you please get these photographers out of here!"

"Welcome to Cerritos High School" is Dr. Richardson's favorite expression. Dr. Richardson is the Dean of Students. He's not the most well-liked administrator in the school, but then he's got one of the hardest jobs. Dr. Richardson is in charge of all discipline of all students.

Mrs. Elliott likes to "Keep smiling." She also likes the students to do the same. That's part of her job. Mrs. Elliott is the Vice-Principal in charge of Counseling Services. She is in charge of the counselors, and if you ever have a real problem with your credits or graduation, she'll be there to help you.

Dr. Richardson has worked in many other schools, but he likes Cerritos the best. He feels the students are very cooperative. He also feels that if he is fair to the students and treats them with respect, that they will in turn respect him.

Mrs. Elliott seems to like the job she has now. She enjoys working with the students and in the position she holds now she has a more positive contact with the students than she has ever had. Mrs. Elliott enjoys the atmosphere at Cerritos.

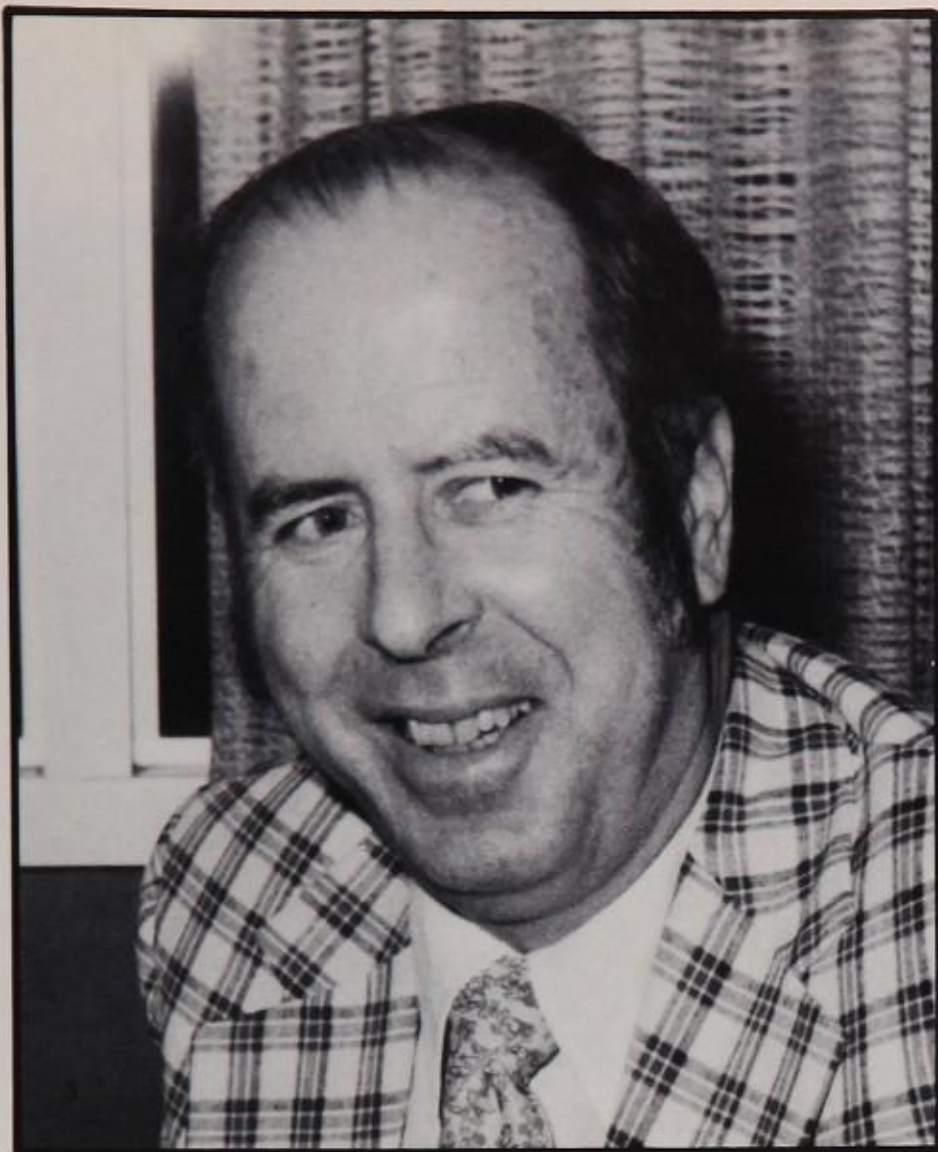

In his spare time, Dr. Richardson enjoys sailing. He owns his own sail boat and frequently uses it to relax and get away from the pressures of life.

In her spare time Mrs. Elliott enjoys bowling. She is in a bowling league along with some of the other faculty and administrators. She also enjoys bike riding and golf. She someday hopes to play in the faculty golf tournament.

When asked, Dr. Richardson said his expression would be "How did this happen?" if he won a million dollars. When asked how he would express himself if he found out he had to pay \$100,000 in income tax, he said, "This can't be true, I'll have to see my lawyer!"

If Mrs. Elliott won a million dollars she would yell, "YIP-PEE!!!" If she had to pay \$100,000 in income tax she would still respond positively with, "Great!" If I get the income to warrant it."

Administrators

According to Mr. Conley he "Didn't just fall off a turnip wagon," however, we all know that the truth of the matter is that he actually fell off a potato truck.

Mr. Conley is our Assistant Principal — Student Services. He handles such fun events as censoring our newspapers and bulletins, having the final say-so on activities, and letting people out of classes for school business or a real good excuse.

Mr. Conley enjoys sports and used to be a coach. He has coached little league teams as well as high school sports.

He enjoys his work and the people here at Cerritos. If Mr. Conley were to win a million dollars he would ask the question, "How much will I have left after income taxes?" When told he'd have to pay \$100,000 in income tax he said, "No problem if I won the million dollars, otherwise I would have to go back to coaching."

Mr. Burdick's response to a statement is usually, "What else is new?" Mr. Burdick could very well be considered a "behind the scene's man." He is our Assistant Principal in charge of Special Services. Mr. Burdick takes care of things such as classified personnel, money, facilities and exciting things like that.

In his spare time he enjoys boating and water skiing. Mr. Burdick will often go boating and just relax and take it easy.

Mr. Burdick's response to winning a million dollars was, "It's only money." When told he had to pay \$100,000 in income tax his response was, "Easy come — easy go."

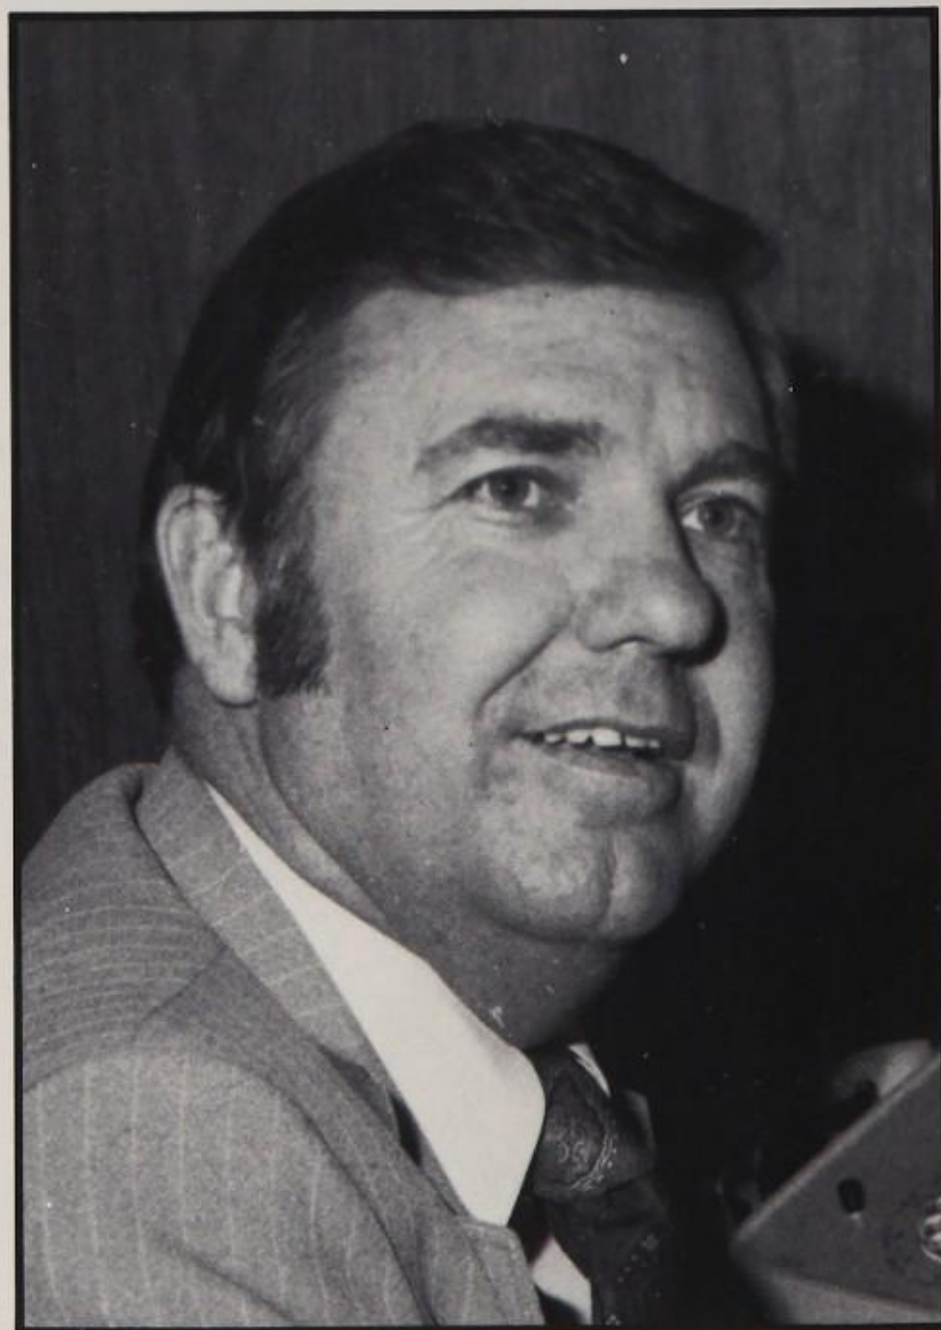

Once upon a time in the land of Fullerton, a very famous baby was born. He was born on August 28, 1935. His name is Charles Curtis Ledbetter. When little Charles was growing up, his lifetime goal and dream was to be the principal of a Cerritos High School. He worked hard at his goal. He went through the basic elementary and junior high school. He then graduated from high school in Fullerton. He decided in order to reach this goal he would have to go to college. So, he went on to graduate from Long Beach State.

Along the way, Charles developed many interests and hobbies. One of which was golfing. Actually, he enjoys just about all sports.

Forty-three years later, Charles Ledbetter is doing exactly what he dreamed of doing. He is the fearless leader of Cerritos High School. His favorite expression is "Born to lose." When asked what he would do or say if he won a million dollars, he replied, "SUPER!" However, when told he had to pay \$100,000 in income tax he responded with his favorite expression, "Born to lose."

1.) Mr. Ledbetter worked diligently at his desk. 2.) Phone calls and filling out forms was a part of the principal's job. 3.) Mr. Ledbetter helped out Mrs. Hill.

Not only did the 1978 A.S.B. Cabinet work hard putting on many successful activities such as Homecoming, Spirit Week, The Nominating Convention, and Donkey Basketball, the seventeen member organization had fun sponsoring the different activities.

This year's A.S.B. Cabinet members are A.S.B. President Ruben Zepeda, A.S.B. Vice President Terri Taylor, A.S.B. Secretary Yvonne Montero, A.S.B. Treasurer Randy Economy, Senior President Dennis Markham, Junior President Glenn Segal, Sophomore President, Kim Teska, Freshman President Kristin Cooper, Comm. of Activities Joanne Quibrantar, Comm. of Athletics Terri Oka, Comm. of Clubs Tina Monaghan, Comm. of Elections Kevin Dolan, Comm. of Publicity Michele Gourlay, Comm. of Public Relations Alison

... was only one of the statements that was heard from the members of the California Scholarship Federation chapter on the Cerritos campus. Under the leadership of their Fall President Cathy Swindlehurst and Spring President Tom Tsubota, the members engaged many activities to raise money and to have fun. There was the bake sale in the pouring rain in front of Alpha Beta — with only two members lost to the cold and flooding as well as the annual Volleyball-a-thon and a trip to Magic Mountain.

LIGHTS . . . CAMERA . . . ? ACTION . . . !

was the cry as the Cerritos High Thespian Troupe 2080 put on a fine season of productions for the student body and the community. Under the guidance of Advisor Bruce Carlisle and Fall President Kathy McDougall, the troupe brought the plays "You Can't Take It With You" and "Prisoner of Second Avenue" to life on the Cerritos stage.

1.) President Kathy McDougal ages rapidly for the production "You Can't Take It With You."

What's Red, Black, White, Yellow and Goes to Magic Mountain?

Why the International Club of course! This club, who were advised by Ms. Stein (French) and Mrs. Yabrof (German) brought students together to learn about the cultures of others. They were one of the largest clubs on campus. They sponsored many activities this year including the International Pot Luck, and an ice skating party. During Spirit Week the International club sponsored the Chopsticks race, chili eating contest, and the snail race. Their annual Multicultural Day led them to Chinatown, Olvera Street, and Little Tokyo. The club also went to Magic Mountain. One of the highlights for the International Club was the International dinner. The

dinner was held in the C.H.S. Hilton where entertainment was provided by a cabaret. The money earned from the event was not just put into fun and games, students were interviewed for selection for a scholarship.

- 1.) In native (?) dress for Club Day, Mme. Stein and Frau Yabrof seemed to be having fun signing up members for International Club.
- 2.) Despite the rainy weather, members of the International Club enjoyed themselves at Magic Mountain during Spring Intercession.

Christmas caroling at hospitals, helping in the opening of the Cerritos City Hall, and ushering a play were just a few of the services the Keywanettes performed. The club also held a bake sale and competed in the Spirit Week Volleyball Tournament. The Keywanettes proved to be a helpful and rewarding club.

Dancing to the Kute 102 Dance after our Basketball game between Kute's D.J.'s and the California All-Stars was the United Together Club's best planned activity. Spending a few days in San Francisco was one of the most exciting times ever spent by United Together.

Always glad to do things for the community, the Key Club sold programs at the football games, ushered school plays, worked at the Kiwani's Basketball Tournament, the Faculty vs. Students basketball game, and participated in the United Way Drive. Winning first place in the Volleyball Tournament during Spirit Week was just one of the major events for the Los Unidos Club. Other events included sponsoring the Back to School Dance, and participating in the all school candy sale. Also, Los Unidos put on a Mexican Dinner and sponsored the play "Beto's Dream." These and other events made a successful and rewarding year for Los Unidos.

With such events as going to Farrells, Disneyland, and decorating trashcans, Ichiban certainly fulfilled its purpose — HAVING FUN! The club also participated in the all-school candy sale, sold fortune cookies, and had a raffle. Ichiban had a successful and fun year.

YGAD, whose members are the Youth that Gives A Damn, put on a Smoke Out on campus to stop smoking. Sending Kiss-o-Grams on Valentine's Day was one of YGAD's biggest money raisers. Riding in the bike-a-thon for Diabetes proved to be rewarding for YGAD, but especially for Diabetes.

Raising money through a bike-a-thon helped the Cal Cadet Rifle Team the most this year. This team went to the State Championships this year beating Artesia and Gahr High Schools during the first set of Brigade Matches.

Our Spirit Is Sky High

Tears and laughter were all part of the role of the 1977-78 Pepster. Laughter and fun came from all the activities that were involved in helping to make the 77-78 year a year of SPIRIT. All twenty girls were busy all year round making signs for games, preparing rallies, making plans for delivering goodies to the football players, practicing for competitions, and still trying to find time to do their homework. Their efforts did not go unrewarded, of course. Their first time at camp, all squads received various awards for outstanding performances. Song squad received three second place trophies and a fourth place. Yell also received a second place trophy.

2

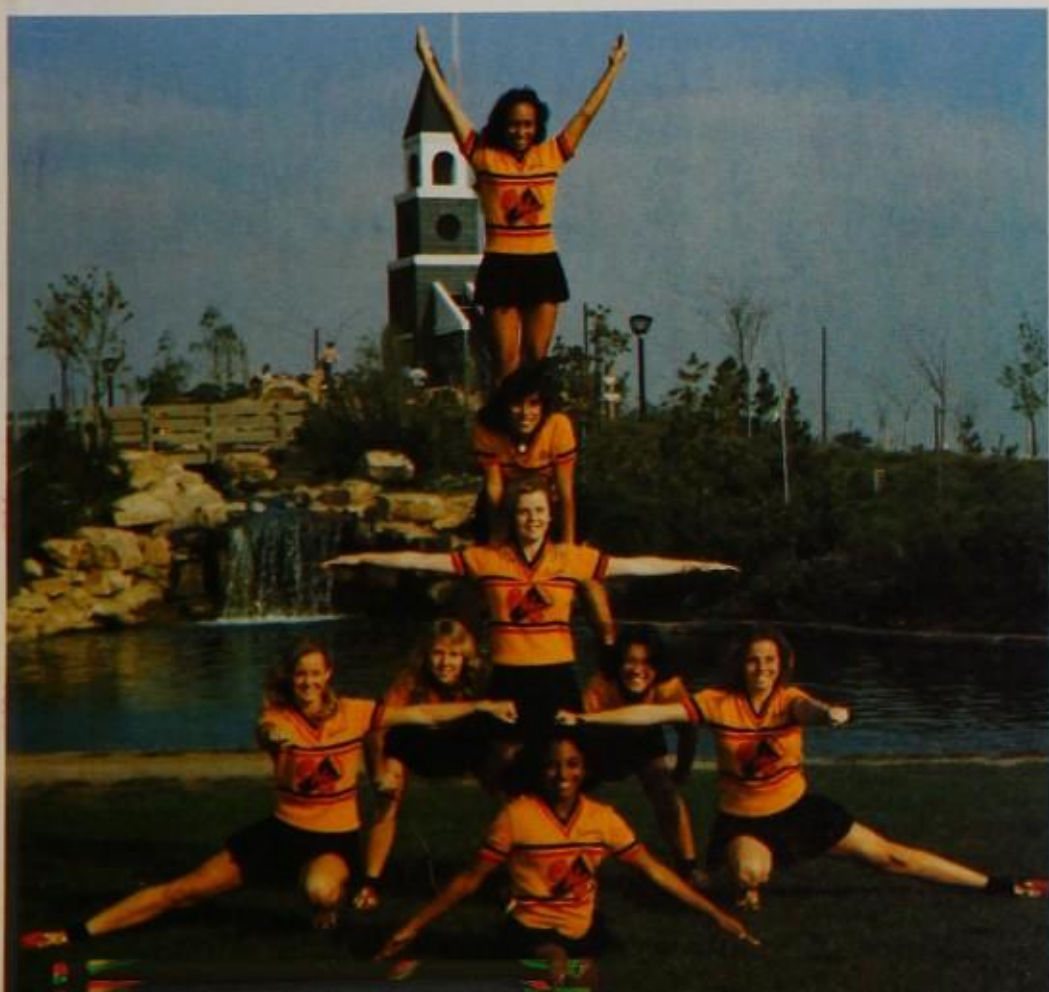

Tears, you ask? Well of course. Tears came after working hard for competitions only to find out that you didn't do as well as you thought. Tears came after building your hopes up to go all the way through CIF playoffs only to be defeated on your first round. Last, but not least, tears came after realizing that time goes on and you must say goodbye to some of the dearest friends you have only to find new ones.

FLASH! *Teacher goes on rampaging warpath, Killing of 25 students . . . Funeral services will be held for the families of deceased annual staff members.*

Just how does an annual staff of 25 people go about publishing a high quality book, breaking in a rookie advisor, putting up with lost pictures, trying to meet deadlines and spending weekends and nights in one classroom with different personalities that have many likes and dislikes? Well just ask the 1978 Sin Igual Annual Staff how they did it. Behind the expertise of Editor-In-Chief Tina Monaghan, the unending patience and assistance of Monta Armstrong and Taylor Publishing Representative Bill Milne, these problems were finally brought under control.

The Informer Staff of 1977-78 faced a number of stepping stones during the year. With Randy Economy as Editor, the staff put out 12 issues, more than any other newspaper C.H.S. has ever had. Their goal was to publish an issue every two weeks but when they ran short of funds the press was stopped. Facing many challenges of selling one issue, and giving the next out free, the Informer only published 2 eight pages. One during Spirit Week and one at the end of the year that contained the everpopular Senior wills.

1.) A most unusual picture of all the members of the Newspaper staff together at one time. 2.) Mike looks on trying to figure out when his story is going to come out. 3.) Waiting to see which one should be the first in the water, the Editors posed around the falls. 4.) Cindy Shaw seems to be giving her honest opinion of the Informer's new advisor. 5.) Who says there weren't hidden cameras in the staff room? Dennis and Glen always smiled.

Do Ra Me Fa So La Etc., Etc. was frequently heard coming out from the choir room. This year the happy carolers performed their annual concerts and raised money by performing singing Christmas cards right before Christmas vacation. Behind the direction of Mr. Bill O'Connor the choir once again sang out loud and sang out proud for C.H.S. In March they had their pop concert in March and annual Spring concert in May.

2

1.) Chris Ruthowski and Rick Noceda were often seen singin' in the rain with their handy black umbrellas. 2.) Lisa Wood and Michelle Follet were in the middle of singing "Santa's Coming To Town," when Michelle forgot the next verse. 3.) The Photo Club wasn't the only new club on campus. The Rock Music Club emerged from an unanimous interest in "music." To share their interest with the rest of the student body, they put on a dance as a fund raiser, where they played taped "rock n roll." Studying Stars, comets, and planets was the main purpose of the Astronomy Club. They participated in several observation outings. During the solar eclipse, they set up a telescope to let the students watch the event. With the advisor like Mr. McNally, the club had fun and learned at the same time. The One Way Club was a club to learn about the Bible and for students to

ask and discuss questions they might have. The club met together out of school and had many outings.

The American Indian Club's main purpose was to study the philosophies, languages, artifacts, religions, and the nature of different Native American tribes.

Captains log, stardate 630-78, a notice to
all planter heavies, skate nazis, and surf type
babes: We have been noticing an erratic
change of behavior this past year. It seems
that due to your repeated self indulgence of
numerous chemicals that you use to create a
"space is the place" feeling or unnatural high,
your minds seem to be deteriorating to the
point of no return. Now in order to maintain
your seemingly untapped amount of intelli-
gence, we suggest our alternative: massive
doses of natural highs, such as maintaining
your own personal power phenomenon. You
must stop this whole new wave of punk fash-
ions. We will be watching you very carefully
from the starship, we hope that we will not
have to resort to beaming you all aboard and
teaching you our own Cosmic Awareness!
Yours Faithfully,
Captain Theo

EXPRESSIONS of 78

Expressions was this year's theme
And there were many on the 78 Sin Igual scene.
Many of these expressions we couldn't print
If that gives you a little hint.
Changes occurred throughout the year
Some bringing a laugh with others a tear.
A new advisor came to teach the class
Often wishing he'd let the opportunity pass.
Mr. Armstrong has done well on the annual "hot seat"
By doing a job which couldn't be beat.
He was never in panic
Even though the rest of the staff was often quite
Enough praise, on with the story
Before Mr. A's head swells with glory!
The style of Sin Igual was revised
When a new style — freestyle was devised.
This new technique added a graphical dimension
To each and every section.
The staff worked hard as a team
Even though each followed his own personal dream.
Janet, Ramona, Wendy, Kathy K., Pam, Christina, Cindy,
SYE, Terri, Dennis, Leonila, Patti P., Spotty, Todd,
Patti C., Randy, Kethy T., Sherry, Chris, and Tyrone
each played an important part from the start.
Yet, the rain which put our shooting schedule behind,
Was a factor that led to a missed deadline.
Another was a Taylor Publishing Company Representative
Who didn't give us all he had to give.
The staff had other problems too
Because most of them were inexperienced and new.
Yes, we missed our color deadline.
But in the end things worked out fine.
I can't forget to mention the Sanford Studio gang

Who started out great, but ended with a bang.
By the time we got some prints,
The staff was already having "fits."
The 1978 Sin Igual is our expression.
But it has taught us many a valuable lesson.

Putting together an annual is never an easy job. There are always problems such as lack of communications between staff and photographers, lost pictures (a roll of graduation pictures was lost), and of course deadlines. Yet, these problems are essential for a yearbook staff. They bring the staff closer, and make them use their creativity. This year was no exception. We have had our share of ups and downs. The majority of the staff, including the advisor, was inexperienced. Somehow, we overcame these obstacles to produce the most graphic, and creative yearbook in the history of C.H.S.

Along the way many people have directly or indirectly helped the staff. I have to thank Mr. Ledbetter, Mr. Conley, and Mr. McReynolds for their patience and understanding (especially concerning financial matters), Mr. Cox and Ms. Yamada for letting staffers slip by after the tardy bell had rung, and the rest of the C.H.S. faculty for all the pestering they have had to put up with this year! Of course I cannot forget our Taylor Publishing Company Rep., Mr. Bill Milne for the estimate we received even though it was late. (Sorry, Bill, but this was the only opportunity I had all year to get back at you!) Mr. Milne has really helped during critical situations. I also have to thank Tyrone Elliot and Chris Rutkowski because I have bribed them all year by saying I will put their names on this page if they drew more wizards. Most of all I have to thank my family and friends for putting up with me for a year as editor-in-chief. I have really appreciated your love and support! A lot of blood, sweat, and tears went into the production of this annual. I hope you will appreciate it as much as I do.

Sincerely,
Tina Monaghan

HELP

i'm sorry

A Final Word . . .

I would like to get in the last word (since I never get the chance any other time around this staff!) This book is an outstanding achievement by a group who has worked hard and deserved recognition. A high school annual is new every year and every year brings problems. Missing pictures, missed deadlines and comments from all sides have plagued this staff (not to mention a new advisor.) No book is perfect, but this book represents thousands of hours of work by a dedicated and creative staff. And the most outstanding member of that staff has been Tina Monaghan. Without her, this book would not be.

I would like to thank Mr. Ledbetter, Mr. Conley, and Mr. McReynolds for their help. I also need to say a special thanks to the faculty, who put up with strange questions, stranger photographers, and strangest me. My thanks to two special ladies, Mrs. Hill and Mrs. Marcum, who helped more than they know. And lastly to Colleen, Joann, and Carol, thanks for listening to my ravings about this book.

May you truly enjoy our efforts,
M. Armstrong
